

Make Your Own Pizza Sticker Activity Book By Fran Newman-D'Amico **Make Your Own Pizza Sticker Activity book**on but my toddler like it Fran Newman-D'Amico This item doesn't even deserve to be described as a `booklet' let alone an activity book! The cover opens up to show a pizza base and then there are four small sheets of stickers with which to decorate the base. **Pdf make your own pizza sticker activity book pdf** I definitely thought they were going to be a bit bigger but I have to say regardless of size my son loved them!! We bought the butterfly pizza the colouring ones are quite good but in America they charge \$1. **Book Make Your Own Pizza Sticker Activity book pdf** Not nearly enough `activity'! Fran Newman-D'Amico It's so small I got it as an Xmas gift for my cousins I should have read the details tho and stuff but I still wish it was bigger. **Book Make Your Own Pizza Sticker Activity booking** The stickers aren't really reusable Fran Newman-D'Amico It was my own fault I didn't carefully read the description and when it came I realized it was very small about the size of a little pamphlet:
