DNF @ 35%**The Takeaway:** Wikipedia is not a reliable source for research into organized crime. **Ruthless people tv tropes** I think some authors of this genre forget that while illegal organized crime is a very real thing and inaccurately representing this lifestyle and culture to satisfy your own story's needs is a slap in the face. **Ruthless people star** And trust me I LOVE psychopaths (enter Fredrik from the In The Company of Killers series by JA Redmerski) but what Melody lacked was her depth and humanity making her a very boring character flat and not even one-dimensional. **Book Ruthless people's** Now quick side note for females in organized crime: If you want to see a phenomenal portrayal of this the story would have ended here because doing this WOULD HAVE GOTTEN HER KILLED because it was essentially seen as a hit on the boss. **Ruthless People epub** I really have nothing to say about Liam except there was nothing remarkable about him you could probably pick him up and drop him in some other mafia book - nothing about him stood out. **Ruthless people book review** I am all for the hate sex in books but literally the first time they have hate sex they decide they're gonna work together and rule the world and then at their wedding they're professing their undying devotion to each other. **Ruthless People kindle direct** A whirlwind blood-filled merger of two mafia houses and the power struggle / fuck-fest that ensues between a prodigal son & a mafia heiress! "She fucking shot me. **Ruthless people star** 5: Declan + Coraline **Book 1: Ruthless People** **Book 2: Untouchables** **Book 3: American Savages** **Book 4: A Bloody Kingdom** The Ruthless People trilogy follows two mafia families The Callahan's (Irish) and The Giovanni's (Italian) in their merge through marriage with the intent of maintaining power wealth and world domination through mainly drug trafficking and corruption by a. **Ruthless people book review** !Ruthless People (book 1) opens up to prodigal son Liam Alec Callahan in bed with his mistress reflecting over the marriage contract that had been signed twelve years prior between two of the most powerful mafia houses in the world - his family and The Giovanni's. **Ruthless people book series** Through their marriage he will not only take over his father's but also her father's mafia empire AND gain a meek wife to represent them to the world...Nothing I repeat nothing could have prepared Liam for Melody! For the past six years in complete secrecy and hidden from the world Melody aka The Boss has been running her family empire and she is not happy about her upcoming marriage. **Ruthless people wrong number** Challenged for world domination by The Valero's (Russians) as well as the new Chicago Police Commissioner is quickly complicated by setbacks and more importantly when feelings enter the picture. **Ruthless people book 2** Strap on your seatbelt for a ride like no other filled with suspense intrigue murder corruption violence manipulation and... mind-blowing sex! "She looks like a sweet little lamb from afar but when you get close you find out she skinned and ate the damn thing just to use it as a coat. **Kindle Ruthless people's** " Melody Nicci Giovanni aka The Boss aka Bloody Melody might go down in my book history! She had the perfect blend of strong bad-ass heroine vulnerable broken girl and men-at-your-

feet temptress with a temper! Nine words to describe Melody: V. **Ruthless people the book** " It takes skill to write a story where the bad guys become the heroes & the good guys are made into villains! Just be warned though I saw HUGE personal growth on both MCs and side characters these people are savages with no remorse or compassion and their singular focus is selfish and superficial - within the confines of the family! I devoured this story; every page every sentence every word! The best way to describe the ending is the most loose-ends were tied up and we were given a promising teaser to the next chapter of their lives! I cannot wait for book 2 The Untouchables. **Crime Ruthless people magazine** 5 stars Plot rating: 5 stars Dialogue rating: 5+ stars Storytelling rating: 5+ stars Story ending rating: N/A ***** Overall rating: 5+ stars Would I recommend this series: Yes absolutely. **Ruthless people zone cushwake** Liam was under the impression he was going to get a mouse for a wife someone who the world would fall in love with to cover their true line of business but instead he got a cold hearted boss who is even more dangerous than he is because she looks like a mouse but has a heart of a lion. **Ruthless people x** I loved the balance between class and punishment just because you sold drugs for a living of killed a person or two doesn't mean you can dress well exude class give to the needy and respect family morals and culture. **Ruthless people express airlines** Liam was ever the alpha man but he respected his wife's abilities and as much as he wanted to lock her away and protect her he let her be free and be the person she was meant to be. **Crime Ruthless people magazine** And in 'normal' real life I would agree but in places where the fiction rules where we can tip toe around the edge and even dive into the world of VIOLENCE without the conscience I am not seeing something as bad or good I'm only seeing it in fun category. **Book Ruthless people's** I've never stolen anything or hurt anyone I have never even got a speeding ticket and while I feel disgusted by those who break law on normal basis I definitely can make exception for fictional mafia family J. **Ruthless people poster** As the future heads of the Irish and Italian mafia Liam and Mel know they have to show the other who's the boss; They feel the need to rule the world and make those against them bleed. **Ruthless people express airlines** In a strange mix of lust blood and constant fight for the position both of them are getting closer to become the true wife and husband or to stabbing the other one in sleep. **Book Ruthless people's** I mean it can't possibly be THAT delicious of a combination right? No way will it live up to my expectations of gritty erotic amazing banter with mafia savages that you can't help but love to hate. **Ruthless people star** Because you can't trust anyone else yourself you're looking for a book with a heroine that's almost more ruthless and bloodthirsty than the Irish mob hero and an all around bad bitch look no further. **Ruthless people book review** ARC courtesy of publisher via Netgalley in exchange for an honest review For more reviews visit 9781612133195 To the outside world they look like American Royalty giving to charities feeding the homeless rebuilding the city. **Ruthless people book poster** Ruthless People is a romantic crime fiction set in modern day Chicago following the life and marriage of Melody Nicci Giovanni and Liam Callahan—rivals by blood and leaders through fear. **Book Ruthless people's** The Mafia of the past is evolving and with rival bosses gunning for them Melody and Liam will have to figure out how to work as one to take down those who stand in their way all while keeping up appearances. **Book Ruthless people** just NO! It's not every day that I have to pull this one out but sometimes it's just appropriate! I will say as I have said before on here the mafia genre especially Italian mafia is one of my very favorites in both film and books. **Ruthless people wrong number** one of my ALL TIME FAVORITE mafia shows! Right away you've set yourself up to meet some very high expectations! In short I found this book to be completely insulting to Irish and Italians everywhere. **Ruthless people book series** This combined with crappy show-vs-tell lacking writing bad grammar unbelievable dialogue and don't even get me started on the enemies to lovers insta-love! Many of the plot lines were poorly developed as well. **Ruthless people streaming** But unfortunately soon he started acting like an immature spoiled little pussy-whipped bitch (what alpha male is fighting back the urge to tell his bitch of a wife that he loves her after just nine days of even knowing her??). **Ruthless people rotten tomatoes** Also what alpha male asks his brother to shoot him in order to get some attention out of said bitch wife so that she will maybe admit that she loves him too? (<----- Yeah that was the scene that ended it all for me.

Ruthless people star But for her father to later admit that the driving force was actually so that she wouldn't be alone in life because he knows how lonely the life of a mob boss is? Yeah I'm sorry no. **Ruthless People pdf** Ok I am not in the mob myself so I am not going to claim to be some expert BUT based on every single film book and documentary that I have ever seen they preserve women children and the innocent at all costs. **Ruthless people wrong number** Basically he came over to say hi I'm the new guy and I am watching you and you are going down bitch! To which Liam's response was to once again scream yell threaten and throw a tantrum like a three-year-old. **Ruthless people book pdf** since when does the mafia and drug cartels smuggle cocaine and heroin via commercial jet liners?? I guess this amount of drugs just popped on right through security too right? Because absolutely nothing was explained there except for that the Valero had half a million dollars worth of coke and heroin stashed under their seats. **Ruthless people book pdf** 5) And the biggest bunch of bullshit of all - The scene where Mel shoots through a wall at a party filled with people to get to the men that were having a meeting without her where she then SHOTS a fucking mob boss????!!!!????!!!!????? I had to read this a few times to make sure that I didn't hallucinate it. **Ruthless people wrong number** If you are going to put out a public work on a way of life on a culture I believe that you have a certain moral obligation towards research and on creating somewhat of an accurate portrayal. **Ruthless people 1986** I WANT TO HAVE A MASSIVE FUCK DOWN WITH THESE CHARACTERS Fuck it I would fuck them both! FUCK FUCK FUCKING FUCK!! I haven't been able to put this fucker down since I first started reading it. **Ruthless People thriller books** Fuck a cold shower I need a fucking cold bath! It's all about POWER DRUGS MURDER FAMILY LOVE and hot fucking SEX! I never want this series to end! I want to read it till the day I die. **Ruthless people star** You know when you love a book so much on one hand you think I have to finish this but self preservation kicks in and you think if I take my time I can enjoy it longer. **Kindle Ruthless peoples bank** So many times authors write books about gangs or motorcycle clubs but they sugarcoat what they do or make them into reformed criminals who were either regretful of their crimes or doing it under the guise of making something right (I'm looking at you my beloved Kristen Ashley). **Ruthless people star** For example nine days after meeting each other Liam is expecting Melody's trust and undying devotion and they are oh so in love? These are two people who have been raised in Mafia families and trained to hate each other since birth and distrust everyone even family members. **Book Ruthless people's** I never knew so many people thought like me! I feel truly blessed to have fans like you all! Writing is my true love and having you all enjoy my words is a dream come true. **Ruthless People pdf escape** I never knew so many people thought like me! I feel truly blessed to have fans like you all! Writing is my true love and having you all enjoy my words is a dream come true:

Read Savages by Don Winslow and then do yourself a favor to see how Salma Hayek portrays it in the film because she alone makes that movie. **Ruthless peoplezone staffing** Two more things Melody did that bothered THE FUCK out of me: 1. **Book Ruthless people's** This would never happen coming from someone of the Italian Mob, **Ruthless peoplezone login** They value woman and children and God so much this would never happen, **Ruthless people poster** She shoots up the Callahan's secret door because she's missing out on a meeting. **Ruthless people mick jagger** A bullet hits the Irish crime boss in the chest - but thank fucking god he was wearing a bullet proof vest, **Ruthless people trailer** This happens within the first 20% of the story and honestly.

Sorry, **Ruthless People kindle** I actually wanted to read a REAL mafia book! The majority of the Italian translations included throughout the book were incorrect. **Ruthless people torrent** I really

liked that Melody stays true to her character through out the whole story and author never tried to unrealistically change her. **Ruthless people book 2** Plus I liked the crazy dynamics between all main protagonists, **Kindle Ruthless people** Neither is Google Translate for languages you clearly don't speak. **PDF Ruthless people** And yet I have more thoughts on this book than I do sometimes about books I actually completed, **Ruthless people book poster** All I can really say about this book is: if you're going to do a book about the mafia do your fucking research: **Ruthless peoplexd app** Synopsis: The Irish and the Italians decided awhile ago to marry off their kids to cement an alliance: **Ruthless people on lookbook** Liam from the Irish is being prepped to take over his father's business and Melody is the only child of Orlando Giovanni - the Don of the Italians. **Ruthless People thriller album** (That's another thing the term for the Italian head is Don not fucking Boss, **Ruthless peoplezone login**) Little does anyone know that Orlando has been dying of cancer so Melody has been running her the ITALIAN FUCKING MAFIA SINCE SHE WAS 18. **Ruthless people book poster** And trust me I have more to say about that I am just warming up: **Book Ruthless peoplesoft** Ok fuck I have no idea where to start because I have so much boiling in me right now I need to center myself: **Ruthless people wrong number** Quite honestly the worst female character I have ever read and how the hell did she upset me having only read 35% of the book: **Book Ruthless people magazine** People will argue that she's a strong independent temperamental ruthless boss. **Ruthless people book series** Now excuse me because I just have to drag her right now: **Book Ruthless peoplesoft** I'm sick of seeing all these characters being so fucking young and running their crime groups. **Ruthless people star** There is a better chance that I also at 24 years old would become President of the United States. **Thriller Ruthless people magazine** You see how impossible and insulting this is to the Mafia? I cannot: **Book Ruthless people's** While it's not unheard of for women to have a place in the Mafia it's not common, **EBook Ruthless people's** I liked the idea that she was behind-the-scenes for her dying father - that could have worked very well for the story: **Ruthless people book poster** The lack of knowledge of the Italian Mafia's hierarchy had my blood boiling. **Kindle Ruthless peoplesoft** Any Wikipedia page I'm sure this author used as her sole research would have had a basic structure. **Ruthless People kindle books** Also I wasn't a fan of how the Irish were portrayed either. **Ruthless people star** The Irish Mob isn't as organized as it is in this book being portrayed like they are the Kardashians or some shit, **Ruthless people book poster** I honestly can't decide what is worse - the crime or the romance, **Ruthless People crimea** I also saw really awkwardly worded sentences incorrect grammar usage and spelling mistakes, **Ruthless people poster** But when I AM noticing how much cursing is in this book I think you're overdoing it, **Book Ruthless peoplesoft** The curse words were a little excessive and didn't even drive the point home - they were kind of unnecessary. **Ruthless people book review** I think that's all I have to say about the first 35% of the book: **Ruthless people book review** I feel marginally better ridding myself of this and getting my feelings off my chest, **Ruthless people remake** 9781612133195 □□□□! . She's also not 24 years old. She intentionally kills a pregnant woman in the beginning. Ok. The Cartel and the Triad is a different story. 2. But.

Ruthless people pdf

She has to be extra bloody and power-hungry. The Takeaway #2: Mafias are not 007 James Bond spies. Stop acting like they are. Well that was a huge swing and a miss. I only got to about 35% before I honestly couldn't continue. Let's just get the characters over with. Melody. Jesus Christ. NO. She is an immature over-the-top dramatic caricature. She is not even real. She's a psychopath. whatever is less than that - that is what she was. SHE IS TWENTY FOUR YEARS OLD. And she is Don of the Giovanni family. In what universe does the author think this is acceptable. Honestly you guys. LEAST OF ALL TO BE THE DON. Give me a goddamn break. But head of the whole thing? Don't insult me. Not to mention there was no Consigliere in this book. The Italian mob can't run without one. No. They're not nearly as infamous as the Italians are. Not to mention their sole income is drugs? -sighs- Ok. Mafias always have their toes in multiple illegal activities. The Irish wouldn't have thought twice on shooting her. SHE WOULD HAVE BEEN DEAD. I AM SO ANGRY SHE WAS NOT SHOT FOR WHAT SHE DID. I'm still angry. Now let's talk about their relationship. Instalove. And laughable at that. I can't. Also, I really want to talk about the language used in this. I am all for a well placed fuck in a sentence. Honestly. Again if I'm saying that. n.y. m.e.a.n.s. n.e.c.e.s.s.a.r.y. She's a beast. o.l.a.t.i.l.e. "She is. . she is Bloody Melody and perfect. How his hands lips and tongue all grabbed on to me. Outstanding character development! Fascinating heroine. J. McAvoy for an a.m.a.z.i.n.g." I groaned pinching the bridge of my nose. Would I re-read this series: Yes absolutely. Would I read future books by this author: Yes. gl/En0XOUARC provided to me by author J.J. McAvoy in exchange for an honest review. 9781612133195 5 ruthlessly sexy stars I. Am. All. You. Have. Rule One: You kill for family. You die for family. Because you can't trust anyone else. Rule Four: No bloody divorce. Step one smother her with love. Step two take that love away. It was raw gritty and ruthless. Evil is just evil. J McAvoy created. The Callahan's were the bomb! You kill for family. You die for family. Because you can't trust anyone else. It's a book about feeling good while doing bad. They are not pleasant nor fair. They are simply horrible. But the Callahan's and Giovanni's breathe them in. They live by them. And Liam Callahan and Melody Giovanni crave them. They need them to function. Ruthless People is definitely demanding read. Every blood covered page is a new dare. You have to be warned that there is no GOOD there. The characters are Villains with big V. And that won't change. Mel was and will be a bitch. It will knock your socks off. "I want you to be willing to kill for me. I want you to revel in the blood alongside me. Secondly the story had few alternating point of views. The story's progress wouldn't change at all without it. FOLLOW SMOKIN HOT BOOK BLOG ON: 9781612133195 4. & Mrs. Smith meets the Sopranos. A bitch can get wary. and just simply love. Right? RIGHT?! WRONG. Rule One: You kill for family. You die for family. Funny my father told me the same thing. Mel is one cold and ruthless bitch. This is definitely not a book for everybody. But I gobbled it up like a starving junky. Fuck you and the Audi you drove up in. This is no ordinary power couple. I was sucked into the story from the first chapter. The action the banter the characters. Everything about this book worked for me. When she wakes up in the morning the devil curses. We both do I muttered. A couple that tortures together stays together. Rule Four: No bloody divorce. Not even he can save you from this now. I actually really enjoyed the additional POVs. . the complete opposite of Melody. Power Family and Respect are everything. Mel and Liam act like immature uneducated assholes. They make mobsters look like they belong on Jerry Springer. The story is completely OTT. This was BY FAR my largest problem with it. Just very ametuer for me. :(I HATED Mel with a vengeance. There was nothing good or redeeming about her. If I could murder her myself I would. Infact. Mel? As for Liam well I liked him in the beginning. He seemed sexy enigmatic and intriguing. These two cultures have loathed each other for decades. Totally unrealistic. I am all for blood gore and darkness. This was not that. This was OTT shock

factor bullshit. Oh hey btw. The Godfather was fiction. This was not that. I never ever DNF a book. I think this will be my third one like ever. That's how much this one irked me. But I wasn't expecting anything else. That's exactly the best word to describe main protagonists. Seriously. Melody and Liam were fucking nuts. however Liam and Melody have issues. They are awful people who do awful things. But I loved them for it. But nay nay not J.J. McAvoy. LOVE it. My ONLY complaint with this story was the time frame. I felt that certain things moved waaaaaay too fast. So I have a hard time swallowing how fast they moved. But maybe that's just me. (That doesn't necessarily stop me but you've been warned.
