

Mr. Maniac Meets Ms. Pervert By justchin , Pervert Hindi nga siya konektado sa title pero I can say na maganda talaga yung story, Halos nung una sobrang tinamad akong basahin to pero nung may time na ko para basahin to eh pinagpupuyatan ko pa nga to eh. Eto rin yung unang book na galing sa watsapp na napaiyak ako. So I would recommend you all to read this book kasi maganda talaga siya, And the way the twists were presented.

No connections. Yes it's unlike the usual love story but I don't think it's about lust, They were both perv and maniac so there's no reason one should get offended when one touches him or her: They like each other and had sex which they were compatible just for the sake of making a baby? Who does that? It's insane: No one wants that right? Hindi ko ma-gets kasi sa tingin ko may ibang paraan naman eh: Ganun na ba talaga kababaw ang view ng mga girls sa sarili nila ngayon at nagpapabuntis na lang sila para ipamigay lang sa iba ang bata? Ella should't be a bitch, On the good side: Asha was afraid and blames her nephew's death all to herself but J. D was there who made her see and realize what was the right decision to make: Pervert Di ko mabitawan simula basahin ko itong libro lahat ng emosyon ramdam ko galit.

. There were redeeming parts but overall it could definitely be improved. Pervert John Dale JD Aragon CEO of Aragon Corporation and known as one of the country's most eligible bachelors is now off the market: Hindi akalain ni JD na isang napakainosenteng Natasha Asha Feddiengfield lang pala ang katapat nya, But unlike the usual love stories hindi pagmamahalan ang naging initial na rason nila para magsama at magpakasal: Nagsimula ang lahat ng ito dahil sa desperadang hiling ni Asha na mabigyan siya ni JD ng anak, May patutunguhan nga ba ang relasyon nila kung tanging iisang bagay lang naman ang tumatali sa kanila? When Mr, Pervert Hindi ko alam kung bakit napagtripan ko nanaman magbasa ng mga librong galing sa Watsapp: Pervert Hindi masyadong connected ang title sa kwento ng book. Although may mga parts naman na nakakatawa ang story ay nag focus sa mga family and not on the male and female protagonists: Di naman ganoon ka-maniac si JD at di rin naman pervert si Asha, Pero not that justifiable kasi di naman masyadong ganun yung kilos nila: Lalo na nung pinakilala ang family side ni JD! What caught me is the near end of the story, Nung medjo patapos na dun nagsulputan yung mga highlight scenes, Nagustuhan ko yung mga last scenes kasi ang daming realizations, Pinakita kung ano ba talaga ang nangyayari sa buhay at kung paano lumaban at maging matatag, Not a typical watsapp story/book na puro kilig lang (na nakasanayan na pag sinabing watsapp): I don't see the purpose of the title saya kilig lungkot at tuwa even mga comedy scenes nila JD at Ivan which is one of the scenes. May challenges o risks man sila natamo o hinarap nila ni JD at Asha pero nakaya nilang harapin which makes me smile at may natutunan naman[1]

LOL!!!!!!!!!!!!!!!!!!!!!! Mr. Maniac Meets Ms. Maganda kung pano siya binuo. Tapos yung mga moments nila Jd at Asha. Tapos yung nakakainis na si Ella. And the most saddest part na namatay si Mayu. Mr. Maniac Meets Ms. Pervert sss Mr. Maniac Meets Ms. Pervert Plot didn't even live up to its title. I mean it's not lust who made their love story. They fell in love right away. The flow of story and plot was good. There's also the crazy villain. She needs to deal with her own problems. It's getting beyond that. I like the story but I'm expecting more from it. I'm really disappointed. They fought and work their problems together. Needs some plot revisions and it'll be good as fine. Mr. Maniac Meets Ms. Pervert interesting to read Mr. Maniac Meets Ms. Mr. Maniac Meets Ms. Pervert I can't understand Hindi sabog ang plot. Mr. Maniac Meets Ms. Maniac met Ms. Pervert they found lust. but will they find love? Mr. Maniac Meets Ms. Pinahiram lang naman ako kaya pinagbigyan ko na. Unang una medyo unrealistic ang kwento. Pangalawa medyo malayo yung title sa kabuohan ng kwento. Pangatlo masyadong cliché. Mr. Maniac Meets Ms. Based on the title I thought it's going to be funny. Self-declare lang ng characters yon. Ang daming characters ng story. So di mo talaga ma-predict kung paano matatapos yung story. Reality check ika nga. Na para sa pamilya mo gagawin mo ang lahat. :) All in all nagustuhan ko naman ang book na to. May family aspects din. Pang New Adult

talaga. Thumbs up author! Mr. Maniac Meets Ms. Pervert Don't care what they say. It's my opinion. Nothing in life is perfect. This is a great book above all. Mr. Maniac Meets Ms. Pervert
