I wanted to give this author the benefit of the doubt after reading one other book by her: **Love, Honor and obeykjb** The H cheated on the h not once not twice but multiple times that I have lost count while h remains loyal and celibate ☐☐ Kindle Edition Rating: 3. **Love honor and obey book online** 25 Stars What did I read? The sick story of Drake (Billionaire dominant) and Kiera and the hot mess of their relationship, **Book Love, Honor and obey me** Drake fires her and Kiera goes on a campaign to do him damage, **Book Love, Honor and obey clothing** As it turns out this put Kiera on his radar and it turned out to not be a good thing. **Love, Honor and Obey books** Drake becomes interested in her they get married and the fun begins, **Book Love, Honor and obeya** He was the worst!! I truly do not think he redeemed himself at all: **Love, Honor and Obey kindle reader** While I absolutely love an unapologetic character he was a piece of work. **Love, Honor and Obey kindle store** Kiera stood as strong as she could but when she fell in love with him that was her undoing: **Love honor and obey cast** Drake was very heavy handed with Kiera which I did not mind. **Love honour and obey dvd** Why Not 5 Stars? No Epilogue - I wanted to know more about their future. **Book Love, Honor and obey me** Editor!!! - I normally can over look editing mistakes but this was just ridiculous, **Love honor and obey book online** If you can't afford an editor at least have a friend proofread. **Love honour and obey download** A lot of the mistakes were just glaring: he instead of she. **Love, Honor and obeykjb** There should have been a huge trigger warning for domestic abuse, **Book Love, Honor and obey me** This book was also described as erotica which I did not feel it was. **Book Love, Honor and obey clothing** And aside from all the grammatical errors the character development was non-existent. **Love, Honor and Obey kindle reader** Both Drake and Kiera showed absolutely no improvement at all: **EBook Love, Honor and obeyed** Drake was the same controlling and abusive (yes I know this is dark romance so when I say abusive Kiera Combs is angry, **Love, Honor and Obey pdf editor** To get back at her boss she makes him lose over a million dollars by calling clients and telling them how they could get out of paying their debt to him. **Love honour and obey download** Drake Hemsgate is not impressed so as punishment he black lists her name everywhere so nobody is willing to give her a job. **Love, Honor and Obey ebook free download** Desperate for him to clear her name she finds herself begging him to take mercy on her after losing everything she owned: **Love, Honor and obeykjb** In a twist of fate Drake takes pity on Keira they fall in love and live happily ever after. **Love, Honor and obeykids** Warning: This book contains material of sex and submission violence and dark erotica, **EBook Love, Honor and obeying** Love Honor and Obey

Well this over the top Alpha was very harsh with his love how they managed to stay together I don't know, **Book Love, Honor and obey by edgar** Update:I did finish the book but the hero was super abusive physically and mentally and that wasn't OK for me[1]

I actually mean it) throughout the book. Kindle Edition This was a truly terrible read. Makes little sense.H is an abusive asshole. Cheats A BUNCH.I think she needs to improve on her writing. H was abusive and a psycho h took his abuse. I don't recommend this book to anyone. In summary Drake is the owner of Kiera's company.Everything about this book was a hot mess. I did not like the 'hero'/Drake. He had a way of forcing people to do what he wanted. He refused to lose any battles. This is how he treated everyone around him including Kiera. This book is BRUTAL. It has so many triggers. This was a long book and it kept me engaged. The author does dark very well. It was so distracting it took away from the story.or so she thought. It is recommended for audiences over the age of 18. If this material offends please refrain from reading.I wish the author had less abuse ☹.I will definitely read another book by this author. Kindle Edition.
