

The Bad Boy in the Glasses By mikaelanay mikaelanay This book brought me in laughter so much and love how they know each other secret it's so funny mikaelanay Cute but reminded me of beautiful disaster mikaelanay Wattpad Book. mikaelanay I wanted to love this book I really did but I got halfway through it on my wattpad only to have to download another app to finish the story in which I had to pay coins to finish. It was interesting trying to found out their secrets they kept from one another but as the story went on it got darker and even sadder less funny quips and not as much comedy all of that would've been fine with me if it hadn't ended and when I do it second season or second book where they weren't even together. I was interested in finding his reason for donning a different identity but when I did get to that point.

Hi Im Mikaela!(wattpad name)Little things about me:~Im in love with Wattpad. ~I love watching iisuperwomanii Tyler Oakley PewDiePie Tyler Oakley PewDiePie Onedirection 5SOS Rocket to the moon Linkin Park Christina Perri Sia Redjumpsuit Apparatus Fall Out Boy Selena Demi Faber Drive whereas Gage's story line is almost perfect.~Im an introvert at home but a crazy maniac when I hang out with friends: ~Im not very fond of chocolates but Nutella is life for me: ~Im a closet hopelessly romantic person if youve read my works then you might know this bit *wink*~Donotmicrowave is my favorite author on Wattpad, Lux i Hi I'm Mikaela!(wattpad name)Little things about me:~I'm in love with Wattpad, ~I'm an introvert at home but a crazy maniac when I hang out with friends. ~I'm not very fond of chocolates but Nutella is life for me: ~I'm a closet hopelessly romantic person if you've read my works then you might know this bit *wink*~Donotmicrowave is my favorite author on Wattpad, ~I love to write cliché in the most unclichéd way(I don't know if that's a word hehe)~Brangelina is swoon worthy: ~I'm not part of any social networking site except Wattpad and recently Twitter, ~Lastly I want to thank all my readers for supporting me and giving me a chance. {site_link} Violet Landon disguises herself as a guy and works secretly as a replacement driver at night for inebriated people who can't drive. 'Stay out of trouble' is the mantra she has always followed. This job is her key to college and keeping it away from her stepmother and stepsisters is her goal. Gage Mathews is a rich bad boy with a hot body.

White fury and arrogance. What's so different about him? He is a bad boy who disguises himself as a nerd and hides the image of a fighter behind it: Violet's low-key life is threatened when this bad boy/nerd discovers her well kept secret and she discovers his! One Bad boy: What could possibly go wrong? The Bad Boy in the Glasses

It was a really good book but both of the characters are bipolar aaa. But the story line was original although the Viking plot is really underused and not well thought out.

It needs a major overhaul. Only to get to the end to find out they're not together, This story started out wonderful lots of humor little quips along the way: After everything I decided not to read the second book I think the author should've ended with the first: mikaelanay Seriously this story damn amazing! Too funny which will make you laugh until you knock out!! Gage's charm as Bad Boy was swoon worthy: God!! My heart need a break<3 mikaelanay Freaking love this book. mikaelanay Aw -

freaking - some! mikaelanay The beginning was really good. I think Gage as a character could be a little clearer with editing: As with Myrna she could be a bit more manipulative with Gage: PS- Everytimeine bumped into a wall it turned out to be the hero's chest: I loved Violet and Gage (well it was a love/hate relationship with Gage up till 60% of the book): There were some inconsistencies and grammar and spelling mistakes but not much[1]
