This has enabled me to look to Him rather than to men for the solution of modern problems; for God continues to rule in the kingdoms of men: BR>When Homer Hailey wrote these words little did he know how well this book would be accepted. All of his adult life he had a desire to pass on the knowledge he acquired in his intense study of God's word, This book the Minor Prophets is his best seller and is used in church Bible classes and seminaries throughout the world: Hailey was one of the 20th century's most widely-known and beloved preachers and teachers, In his writing he was able to express himself so all could read and understand the biblical text particularly the Old Testament prophets, Although Hailey departed from this world in the year 2000 his works live on in numerous books and publications[1]

I've used this commentary for years. It is a fine work. It is a definite asset in understanding the Minor Prophets. In its fifteenth printing it is still in demand. He was noted for his knowledge and simplicity. His seventy-seven years of study continue to benefit others. A Commentary on the Minor Prophets
