South America and Europe. He produced novels plays biographies and journalist pieces. He and his second wife committed suicide in 1942. {site_link} This is yet another gripping novella by Zweig. It was based on one word: trimming. It seems that he would cut 100000 words to half that. Essential. There is nothing new in this. We are there. We talk to the second narrator. This time it is a ship like in Chess Story. This is the land of Hazard. Zweig was good friends with Freud. In these places one just needs to be observant. And Zweig certainly was. His writings were welcomed by many different cultures. His mind was as cosmopolitan as it could be. Somerset Maugham whom I read years ago. We should not forget that his times also burned his books. Elsewhere I have described Zweig as our literary cardiologist. In this particular story he has to become a surgeon. Paperback Zweig'ın karakterleri hislerini hep yoğun yaşıyor. Bu kitapla birlikte buna artık kesin kanaat getirdim. En azından bana göre. Çünkü gerçekten çok yoğun. Bir insan bu raddeye nasıl gelir diye düşündüm. Genellikle Malezya hakkında rastlanan ferahlıyorum. İncecik kitaplarla doyuruyor beni her seferinde. με κάποιον τρόπο. Amok. Paperback
