Really informative 128 This was a very abbreviated and concise history of the Danvers Lunatic Asylum. **Danvers hospital danvers ma** Though the information that was presented was very interesting and informative I would have appreciated further elaborations on the treatment of patients through the years. **Danvers state hospital apartments** Overall as a purely historical record I recommend this short account. It would stand abandoned until 2005 when demolition began.This was amazing. The pages with Mr. Lobotomy were shocking (I had read about him elsewhere). But what ultimately got me was the cemeteries. All the sudden there they were. 128 A spot that fascinates me. Was cool to learn more about it. It costs at least 100 times that now. 128
