Cocky. **Player head command** Player author Natalie Rios Hace mucho tiempo que no me divertía tanto leyendo un libro como este me gustó la química entre los personajes sus pláticas y sobre todo su shipeo a Dramaione cualquiera con ese shipeo puede ser mi amigo. **Playerbox** Solo le puse cuatro estrellas por qué hubo momentos donde Theo era tan perfecto que me hacía rodar los ojos y me recordaba por qué llegue a tener expectativas tan poco realistas de los hombres en mi adolescencia. **Player booking** Separation: Yes They are separated for about two weeks stays together Also: if you're a Dramione stan and stay till the epilogue there's some cuteness overload awaiting you The book was so great I don't even know what else to tell ya. **Playerlands** I legit stayed up till 3:30 in the morning and battled my 'beauty-sleep' to read this book ☹️ And I've got bags under my eyes to prove it! The ONLY THING that upsets me is the third act breakup. **Book player** Me ha gustado mucho cómo se desarrolla la relación entre Allie y Theo sus tira y aflojas verbales y hasta las series que miran juntos -esa referencia a Outlander me ha ganado- así como lo bien que refleja los problemas que conlleva la fama y a los que se enfrentan hoy en día tanto los atletas famosos como sus parejas. **Playerbox** i smiled out loud and groaned a few times because when is it my turn? WHEN? i used to dislike players in books (not all though and idk why) but i think i'm changing my mind.
