

You are my late night thoughts By J. Strelou **You are my late night thoughtsavers** You are my late night thoughts

## **You are my late night thoughtsavers**

You are my late night thoughts is a collection of short poems inspired by late nights loving hearts and the sound of the ocean. Truly a beautiful read in simple language! You are my late night thoughts TransitionJust love how smooth the transitioning in between the poems and chapters are: **You are my late night thoughts**ap It's really nice for a quick read through if you're someone who is busy and doesn't have a whole lot of spare time to read, **You are my late night thoughts**flip You are my late night thoughts "Search for the one who gives you goosebumps. **You are my late night thoughts**for you You are my late night thoughtshaunting beautifulSo much power here, **You are my late night thoughts**for you You are my late night thoughts Beauty in SimplicityI liked the simplicity of the verses, **You are my late night thoughts**flip Also some of the verses were motivational and that was wonderful, **You are my late night thoughts**ful I felt relaxed as I read each page and I needed that break[1]

There's love and freedom in adventure."I really enjoyed this book. This author has some really good collections. There were a lot of great thoughts in this collection. I liked the different sections/chapters/parts. Great read. Short and full of resonance. Just a few lines can bring tears. I find myself thankful I found this art. There's hope.
