Book Ashok and the Nine unknown library

This book has the power to transform your idea of reality! Ashok and the Nine Unknown I am really confused where to start the reviews. **Book Ashok and the Nine unknowns** I finished it within busy 2 days !! It's definitely a 5/5 read for me Ashok and the Nine Unknown Pain imbibes discipline.

Book Ashok and the Nine unknowns

Review: This book is about Emperor Ashok who first conquer the India and after the war of Kalinga he fall into depression seeing destruction and loss of life and bloodshed. **Book Ashok and the Nine unknowns** So then he move to the path of religion and convert himself into Buddhism and move around the world in search of peace here Author change the plot and show that how beautiful mythology and history can intervene paths . **Book Ashok and the Nine unknowns** He show mythology aspects of Chinese dragon and balance of Yin and Yang Sphinx of EGYPT Lost world of Atlantis and woven such a story that make heart delighted and shown the difference side of curse that Amartya given him of immortality and how he learn the secret of magic that flow in the village of Mayong in Assam where he got treated and got back his arms and eye which he lost in the Kalinga war. **Ashok and the Nine Unknown Historical fiction books** Ashok ask for 9 scholar in field that can cause and stop war and train them even though they found traitor in them and clever people who are there just to enjoy royal life and Amartya got control over spirit control mantra. **Ashok and the Nine Unknown Historical fiction books** Story talks about family love avenging the death of them myths and legends of society such as secret society formed of 9 different intellectual in different fields who wrote about there observations and skill in the field they are master mythology of lost city Atlantis people came to India in search of crystal that can make sure to bring back the glorious city of Atlantis to live so I said yes for this book within a few minutes. **Ashok and the Nine Unknown Historical fiction books** Talking about my observations 1) Awesome cover art 2) Nice plot and conceptualization 3) Good use of conspiracy theory 4) Good characterization 5) Liked linking of various steps Ashoka had taken after the war of Kalinga 6) Medium to fast paced story 7) Language level was medium. **Book Ashok and the Nine unknowns** But by the time the book ended it also felt as if while trying to make an unconventional story Dupare got lost on his way and ended up creating something much more strange. **Book Ashok and the Nine unknowns** For example there were incidents in the novel that could have simply been left out and the story or the characters wouldn't have been affected in the least! Apart from that there was this other thing that really irked me up. **Historical Fiction Ashok and the Nine unknowns pdf** Now even if I forget how the narration wasn't up to the mark and that many things were mentioned twice (and they didn't need to mind you) I still couldn't ignore the grammatical errors. **Book Ashok and the Nine unknowns** Now I am not going to post examples here because I believe this book could have been edited and

published in a much better way but if you have read it then I'm sure you know what I'm talking about. **Kindle Ashok and the Nine unknown usb** The wailing of people who had lost their loved ones on the battlefield cut into his soul and it was then that he heard a cry for help...As realization of the devastation of war seeped in Ashok decided to dedicate his life towards the betterment of society and try his best to prevent any destruction of life. **Book Ashok and the Nine unknown error** Realizing he could not do so single-handedly Ashok created a secret society comprising nine chosen members who were known as the 'Nine Unknown' to help preserve knowledge that in the wrong hands could be used to destroy humanity. **Ashok and the Nine Unknown kindle store** Little did Ashok know that the safekeeping of such knowledge had a high price to it; that shadows walk amidst us; and that sometimes our actions unspool unimaginable consequences...The first of two volumes regardless of it been a fiction or non-fiction. **Kindle Ashok and the Nine unknowns** The wailing of people who had lost their loved ones on the battlefield cut into his soul and it was then that he heard a cry for help...As the realization of the devastation of war seeped in Ashok decided to dedicate his life towards the betterment of society and try his best to prevent any destruction of life. **Book Ashok and the Nine unknowncheats** Realizing he could not do so single-handedly Ashok created a secret society comprising nine chosen members who was known as the 'Nine Unknown' to help preserve the knowledge that in the wrong hands could be used to destroy humanity. **Book Ashok and the Nine unknown mysteries** Little did Ashok know that the safekeeping of such knowledge had a high price to it; that shadows walk amidst us; and that sometimes our actions unspool unimaginable consequences...The first of two volumes this book has the power to transform your idea of reality!Review:Ashok and the Nine Unknown is a retelling of Mauryan Emperor Ashoka and the secret society of Nine he found around 270 BC by Anshul Dupare. **Book Ashok and the Nine unknowncheats** From accepting and practising Buddhism by Ashok finding answers to questions that disturb his soul Ashok meeting Yin-Yang and forming the secret society of the Nine Unknown to preserve and protect the knowledge that could benefit and harm the human civilization this book will take you to trips to the magical and mysterious Mayong Patliputra and to Egypt!The book is a blend of facts and fictions which give and insight to Mayong the rise and fall of the Atlanteans (a successful Greek civilization) and it's affinity to Egypt. **Book Ashok and the Nine unknowncheats** Besides all this the book has too many combat descriptions some dialogues and conversations spoken how people of today speak (something absurd) and a loves story which I found unnecessary. **Book Ashok and the Nine unknown error** Ashok and the Nine Unknown And here is a little bit about me my friend hear my tale Nimble wordsmith navigator of a boat following history's trail Sailing through sea of stories love and support of my readers is my holy grail Hightailing to the next shore of unseen vale I savor philosophy and drink ideas for ale Unfettred in my imagination even against the blowing gale Lock me in a room full of books and I would still be happy even if its a jail! completely. **EBook Ashok and the Nine unknown synonym** What's more it finished at such a high encouraging note that I am now excited to read more books in the series: **Book Ashok and the Nine unknown library** I will definitely recommend this book to the fans of the historical/thriller/fantasy fiction genre, **Ashok and the Nine Unknown Historical fiction books** Rating: 5/5 Ashok and the Nine Unknown □ASHOK AND THE NINE UNKNOWN□Author: Anshul DupareGenre: fiction: **Book Ashok and the Nine unknowns pdf** □[BLURB]Ashok wandered amidst the corpses looking like a dead man walking among the dead, **Book Ashok and the Nine unknown mysteries** □[REVIEW]The entire book right from the very first page it attracts my attention and keep me glued to it, **Ashok and the Nine Unknown Historical fiction books** The fact of this book is based on a powerful research and lots of informations. **Ashok and the Nine Unknown kindle fire** Bright yellow colour and the beautiful design make cover eye-catching and it also realises the significance of the book: **Book Ashok and the Nine unknowns** The fast paced storyline well crafted plot with life-like characters make it very interesting: **Book Ashok and the Nine unknowns** The element of fantasy and so many unexpected twist and turns permeated throughout the book. **Historical Fiction Ashok and the Nine unknown library** However I was little confused in presence of supernatural elements for few times, **Book Ashok and the Nine unknowns** (Verdict):-Being an ardent history lover I really enjoyed this one: **Book Ashok and the Nine unknowns** It throws light on a little known battle and narrates a tale of bravery which is mostly missing from our history textbooks. **Ashok and the Nine Unknown kindle store** Ashok and the Nine Unknown The book starts with the ending of devastating Kalinga War, **EBook Ashok and the Nine unknown gods** The war is known to us as the reason of Ashoke's Transformation from Cruel emperor to a religious one, **Book Ashok and the Nine unknown synonym** Ashoke was cursed by Amartya it invokes loyalty and it changes people: **Historical Fiction Ashok and the Nine unknown sins** What do you think about this quote?For starters this book commences with the guilt-stricken Ashok grieving for his misdeeds with the battle of Kalinga being his worst decision. **Book Ashok and the Nine unknown synonym** Ashok finds a gravely wounded Kalingan named Amartya with whom his life is connected till eternity: **Book Ashok and the Nine unknowns** Amartya's life symbolises that of Ashwatthama's (from the Mahabharat), **Book Ashok and the Nine unknowns** The book has multiple stories running parallel which eventually connect. Half of them are around 9 mysterious knowledge holders. Majority of them are related to supernatural powers. A perfect combo of thrill and historical events. A very good balance pace and language is also good. I always recommend such informative fictions.And after that he decided to change the path. I loved the opening scene. The dialogue is written wonderfully. That part is completely new for me. If we talk about the book the plot is amazing. The book is written wonderfully. Good use of vocabulary and language. Page turner. Different content than routine historical fiction genre. War and politics are portrayed perfectly. The plot holds your attention till the end. Overall indeed good one. I definitely recommend this.Ashoke thought of doing something great and necessary . But the mission is impossible for an one man army . So here The nine unknown came to help him .This is actually the first part of the series .My Take I am fond of Indian history.I love the storytelling .The plot is woven nicely.I have to admire the attractive cover .The book is a page Turner. I feel that should have read it earlier. Read the book to know more. No issues for seasonal readers. Detailed Review Link - <https://chevusread.blogspot.com/2019/>. Yes the blurb is intriguing enough too.That is why I picked up this book in the first place. You can't create events of your own. You can only create new ones. But then that's where I believe it got confusing. I'm not saying that the story was bad. The editing. That just wasn't the case with this novel. So here's a fact. India wasn't really called India until the Britishers arrived. I mean think about it. India isn't really a Hindi word. Bharat is. You can search that online too.After the battle Ashoka decided to look over the destruction.Historical fiction is one my favourite genres.What really made me pick this book up was its fascinating.□The secret of life is to live and let live.the magic you create by living loving and by helping others. It was then that he heard a cry for help.What did Ashok? What hides behind the unimaginable consequences?. With compelling writing style author didn't bore the readers.So I'll definitely recommend it. But here the

book has unfolded something new .A generous 2.75 from me
