NEEDS/WANTS/ HIGHLY ANTICIPATED!! CAN NOT WAIT!! Pirate Girls (Hellbent #2) I think it will be hunter and dylan. **Pdf pirate site** Pirate Girls (Hellbent #2) hunterxdylan porfi porfi Pirate Girls (Hellbent #2) Hopefully it's Kade and Dylan! ☐ Pirate Girls (Hellbent #2) What I'm excited for in this series:1. **Pirate girl pants** Dylan choosing Hunter ♥ (ugh FOR ONCE let the intense quiet broody guy (aka Hunter) get the girl! And not the mean overbearing bullying asshole dude (aka Kade) because quite frankly that would just be like a remake of Bully and I've already read that book and tons more like it so I would pass if so. **Pirate girls penelope douglas release date** It would be so damn boring predictable and done-so-many-times if Dylan ended up with Kade ☐ Besides Hunter has that intensity and broodiness about him that you can't help but find so damn hot! ☐☐ I totally fell for him in Next to Never and I am hella excited for him and Dylan to get it onnnn (and I would bet my curvy white ass it would be e. **Pirate girl makeup ideas** And I mean... a VIRGIN HERO who actually CARES about who he's bangin' and is oh so picky on where he's sticking his patootie in?? UGH COME TO MAMA! My ovaries are so ready to explode for this man ☐☐ 4:

Hunter was reminding Quinn to have the blueberry swirl brownies cause Dylan likes them: **Pirate girls penelope douglas** However after reading that Fall Away Christmas bonus scene I'm leaning towards Hunter: **Pirate girls 3 one piece chinese digital** Matthew's Knights shirt and a cassette tape with a note underneath that says My colors would look good on you Pirate. **Pirate girls 2 one piece** It is assumed that Pirate Girls will be Dylan's book (Jared & Tate's daughter) with one of Madoc & Fallon's twins, **Pirate girl pants** ☐ Let's start the great debate: Kade or Hunter? Team Kade for me but I won't be terribly upset if it is Hunter either, **Book pirate studios** I just feel what is known so far shows Hunter as a best friend rather than being the soul deep love for Dylan, **Pirate girls 2** considering all of Hunter's pent up energy ☐) and get their HEA ☐: **Pirate girl book** -- Yes I will only read Dylan's/Hunter's book if they do end up together: **Pirate girl plates** If Dylan ends up with someone else (aka Kade) then sorry but I shall pull an Ari and say thank u next!. **Pirate girl outfit drawing** I've read a thousand other books wherein the heroine chooses the alphahole and this gal is looking for somethin' new k? thanks bye, **Pirate girl makeup ideas** Someone who will knock Kade off his spoiled arrogant ass -- NOT Dylan though; Dylan belongs to Hunter in my most humble opinion, **Book pirate studios** The awesome family/friends dynamics that PD always seem to nail. Please look for The Hellbent Series and Motel coming next. My prediction was wrong. It doesn't matter to me who Dylan ends up with. Simply because he gave something to her. His red and black St. Then kade and tommy. Quinn and Lucas' love story 2.x.p.l.o.s.i.v.e. 3. Hawke. He is a very interesting man and I want more of him. Lol 5. Pirate Girls (Hellbent #2) Fall Away spin-off story. Release date TBD.
