

Taming Dante (Dantes Infernal #1) By Joel Abernathy **Taming Dante epubs** I know if someone is addicted for as long as Dante and has practically grown up with it someone is not fine after a month of being 'locked up' and without being taught any other coping mechanisms. **Book Taming dante bichette** Cash thinks I'm stuck with him while he forces me to get clean but what starts out as a Daddy/boy roleplay meant to freak him out turns into so much more than a game. **Taming dantek enterprise** Although there's a few things in the story that you may consider as tough to read about (drugs/alcohol addiction bad daddy issues and self harm) the overall feeling wasn't so angsty as I thought it'll be. **Taming Dante booker** It was a little bit OTT but what there's not to like about a cocky rock star who nobody can control and a bodyguard/new band mate who're also developing a daddy/boy relationship a little suspense and a HEA?! ☐ Kindle Edition I definitely wasn't expecting the ABDL thing but that was the most perfectly fitted puzzle piece to this story☐. **EPub Taming dante basco** "Dante was kind of like if Kurt Cobain and Lady Gaga had a love child and the love child grew up to be addicted to amphetamines and was maybe possessed by a low-level demon or two. **Taming dantego** While it was super cute I found the change from rockstar on drugs who will fuck anything that moves to boy in footed PJs with a sippy cup to be abrupt and hard to believe. **Taming dantedi** Enter Cash a veteran and a drummer who is hired by the band manger not only to be the band drummer but to keep Dante in line and at least keep him from killing himself. **Taming dantedi 2023** There are some nice scenes where we see both men realizing how much they are coming to mean to one another and there is a great sexy intensity between them that I liked. **Kindle Taming dante alighieri** But things pick up nicely later in the book and there is some excitement that helps round out the story bringing it away from the focus just on Dante's recovery and expanding to another level,

But I knew there was more to him than just his self destructive behavior and good looks sprinkled with glimpses of brilliance hiding behind haze of addiction: **Taming Dante ebook reader** Cash was not a typical alpha male but a combination of stern authority figure and marshmallow center full of responsibility and weakness for vulnerable shy men. **Book Taming dante alighieri** The Daddy/Boy aspect of their relationship came about in an unconventional unexpected way but was seamlessly incorporated into the story: **EPub Taming dante bichette** I loved how they went from fighting like cats and dogs to sweet affection and passion: **Book Taming dante exum** I loved their insecure and vulnerable moments.

~ 4 Stars ~ This story was so cute! I really enjoyed it: **Taming dantebus social** This book just single handedly redeemed the rockstar-bodyguard trope for me. **Taming Dante booker** 5 stars This was a really cute Daddy/little story with a crazy rockstar and a guy who was hired to protect him. **Book Taming dantewada** "Dante is out of control and we get plenty of evidence of that in the beginning. **Book Taming dante alighieri** After a particularly bad OD Cash comes up with the idea of locking himself in a condo with Dante for a month to rehab him: **Taming Dante bookkeeping** I rolled with it but it definitely made me pause and wonder what the hell just happened, **Taming Dante kindle paperwhite** That being said they were adorable the sex was hot the stalker story added interest and I loved the secondary characters, **Taming Dante pdf converter** Kindle Edition I received an ARC from GRR in exchange for an honest review, **Taming dantebus truffa** 5 stars! I absolutely love Daddy kink and ever since I read Exhale I have fallen in love with Joel Abernathy 's writing, **Taming dantego** This book is a long way from the Flesh and Bone world but it is no less beautiful, **Taming Dante book** I was sucked in from the very first page and I couldn't put the book down: **Taming dantek enterprise** The book though contemporary has Joel's signature damaged/imperfect heroes: **Taming dantedi 2023** a diva addicted to several vices and throws tantrums like confetti, **Book Taming dante** He's known for his promiscuity anger issues and being the center of the tabloids' world, **Book Taming dante bichette** Cash doesn't do anything half-assed and as such whisks Dante away the first chance he gets to help him get clean and recover. **Taming Dante bookworm** They all work together here for the plot to run smoothly, **Book Taming dante**

**bichette** first for Cash to Tame Dante and for the elusive stalker to be found: **Taming Dante epub**  
I liked the progression of the plot and I liked the way it flowed step by step, **Taming dantedi 2023**  
Cash was a force to be reckoned with no matter how quiet he was and no matter what Dante threw  
at him, **Book Taming dante basco** From enemies to lovers with a Daddy/boy role play in the mix  
that turned serious, **Book Taming dante basco** Feelings shifted slowly but surely and it was  
beautiful to see Dante regress into his little role and embrace it as time went by, **Taming Dante**  
**booking** I also loved the fact that Cash did his research since he wasn't familiar with the lifestyle:  
**Taming dantedi 2023** He wanted to be the best daddy for Dante and to help him cope and heal.  
**Taming Dante booking** The sex scenes were steamy and hot with that please daddy thrown in as  
well as the Good boy. **Taming dantect** The roles were reflected perfectly in their scenes where  
Cash was the nurturer, **Taming dantedi** Loved it! Dante is content clean safe and happy and Cash  
is the reason behind it all. **Taming Dante epub.pub** The stalker subplot felt a bit too rushed and  
was glossed over. **Book Taming dante alighieri** I felt it needed a little more focus especially with  
how much time and effort the stalker put, **Taming dantea donatellapapa** I didn't like the fact that  
condoms and testing didn't get discussed at all before Dante and Cash got intimate especially with  
how irresponsible Dante was before. **Book Taming dante alighieri** All in all I LOVED THE BOOK  
and I highly recommend it: **Book Taming dante alighieri** I'm definitely going to read the rest he is  
the first person to really stand up for Dante and to put him first: **Book Taming dante bichette** The  
stalker story is pretty mild in intensity for most of the story and is largely backburnered until the  
end. The relationship was organic and well written. Kindle Edition A Joyfully Jay review. 3. I enjoyed  
the style and tone of the story. There is some playfulness here and the writing is good. C. Davis is a  
trans author of MM romance. Joel Abernathy also writing as {site\_link} L.C. Davis is a trans author  
of MM romance. {site\_link} 3.5 stars I liked this. Dante is the lead singer of Dante's Infernal. He is  
addicted to practically everything except heroin. He is an asshole and doesn't care who he hurts.  
Except Dante is not easy to protect. The sex. Total fail book. Safe sex is important. The  
stalker. Dante's addiction. That part was extremely unrealistic. The daddy kink. I thought it was a bit  
lackluster overall. I need more than just someone screaming 'daddy' during sex. There was definitely  
something there. I was a bit miffed. Copy received for my honest and unbiased review. P.S. 4.9 stars  
story Kindle Edition 3.5 stars Dante was in show business from when he was five. He has a stalker  
and it seems it's a serious threat. Drank and crack are daily business for Dante. Dante as a boy was  
lovely only at first I had trouble. Overall a steady paced varied entertaining story. Hotel-room-  
trashing tantrums? Check. Daddy issues galore? Check. Hell I own it. At least I did until he came  
along: Mr. Self-Righteous who acts more like a priest than a drummer. Oh right. So that's fun. - My  
new job is a nightmare. And there are a lot of those. Dante is a brash selfish narcissistic douchebag.  
Kindle Edition 3. And that's when the Daddy/little kink comes in. I'm excited to read Chaz and  
Raphael's book next. 4. heroes you can't help but love and root for. What I loved. 1. The  
Characters. Dante is the stereotypical spoiled OTT rock star. And he has Daddy issues. because of  
course he does. The Plot. There are many tropes working together here. Daddy kink enemies to  
lovers hurt comfort to name a few. 3. The Romance. This too flowed smoothly. 4. The Heat. It was hot  
with a capital H. 5. The HEA. Slight niggles. Read Jay's review in its entirety here. Kindle Edition.
