Chick Lit Yes there is a Dildo Fight!The following ratings are out of 5:Narration: ██████Romance: ██████Heat/Steam: ██████Story/Plot: ██████World building: ██████Character development: ◎█████The heroine: Willow Honeycutt - Her mother married the king of a small nordic country called Stolland and Willow is about to get married and is drinking mead (the national beverage) with her three muscled viking stepbrothers. **Rockaway bride pdf free** She learned at her mother's wedding that her and mead don't get along well and she is now three sheets to the wind while her beloved step brothers talk her into doing a runner on her fiancé Martin. **Rockaway bridem music** When shes not reading writing or sleeping shes being crowned employee of the month as a stay at home mom and housewife trying to prepare her adorable demon spawn to be productive members of society all the while fantasizing about long walks on the beach with hot chocolate chip cookies. **Rockaway brideoak homes** When she's not reading writing or sleeping she's being crowned employee of the month as a stay at home mom and housewife trying to prepare her adorable demon spawn to be productive members of society all the while fantasizing about long walks on the beach with hot chocolate chip cookies. **Rockaway bridew wedding** And poor Dax! His plan is more than a little stupid but we can see that it's a product of desperation more than it is actual stupidity (or malice) and seeing him get wound up by Willow was nearly as much fun as seeing her break free of her worries and constraints. **Book rockaway bride free** Seriously I loved how this turned out and my biggest fear is that this is where the series peaks (because I'm not much of a fan of Eloise frankly and I worry she'll turn out shallow or worse be revealed as a giant spaz). **Book rockaway bride pdf** Their trip to individual discovery reminded me of a certain hitman movie but with more rib-splitting guffaws even more nuns probably the same amount of cows and easily less guns (aka none)...Willow was sweet with a perfect balance of innocence and worldly experience. **Rockaway bridet tari** Time to achieve all those bucket list items she never knew she had... Let alone wrote down... Or did... Dax was the life-weary hero with everything around him imploding he had his eye on the prize that would bring (almost) everything back to rights. **Rockaway bride pdf download** His new found princess was going to test his resolve his sanity and his bad boy image...With a pair of handcuffs the focal point I just basked in the funny situations and the wonderful supporting characters that made the story shine even more. **Rockaway brideo oxfordshire** Easily one of my favourite stories by this author I will be re-reading this often when I need reminding that anything is possible if you are brave enough... ~Diane 5 stars Romance hoping to hold her hostage in order to get his money returned to him. **Rockaway bridex hall** They don't have passports and travel with and accept lodging from people they meet along the way including a bunch of nuns at one point where the main topic of conversation is farts. **Rockaway bridet tari** Does she really love Martin? Can she truly tie herself to this man forever more? Willow isn't much of a drinker and in Stolland they drink mead which does crazy things to her so maybe that was her first mistake. **Rockaway bride pdf download** I would definitely read more from Pippa Grant in the future! Romance Chick Lit A Rock Star Kidnaps a Runaway Bride... Kidnapping the bride seemed like a good idea at the time. **Rockaway bridey elliott** I listened to the audiobook and the narrators were fantastic!This was my first Pippa Grant book (what the what?! Pure ridiculousness!) and I cannot wait to read more - I'm hooked! Romance Chick Lit Do you always talk this much?No. **Rockaway bristol** Because while Dax is rough around the edges with all the tattoos and the divorces and the hot heavy songs about sex drugs and rock 'n' roll he's also been way more protective than he should be. **Rockaway brider** que awwws Really though it's cute and it's funny and I'm entirely too lazy to go into the plot so I'm just going to throw in a bunch of my favorite quotes and scenes. **Book rockaway bride free** She's also covered in some kind of oilskin cape that her new best friend insisted she take to the ferry huddled comfortably with her knees to her chest cradling that bottle of whisky she won't share whereas I'm cold wet and still handcuffed with my hands behind me so I couldn't drink the fucking whisky even if she would open it

and she's been feeding me toast like I'm an infant. **Rockaway bridezillas where** She gasps wiggles and if she bends forward just a bit more I could get my nose right up-A hand grabs me and hauls me over one seat and into the next where I suddenly have a face full of nun crotch. **Rockaway bridenet worth** ~You've been texting your friend about my love spuds? Love spuds? I'm picturing him with potatoes between his legs-red potatoes with sprouting eyes and I almost choke on a hysterical laugh. **Rockaway bridex hall** Romance Chick Lit Reread 11/1/18 :) Can't wait for Eloise's book which is coming out soon!5 stars!By now it's no secret that I love pretty much anything Pippa Grant puts out and this was no different. **Rockabilly bridesmaid dresses uk** Still revolving around the same crew of lovable characters from her previous books Rockaway Bride focuses on Willow - the boy-band covering all-girl band singer - and Dax down on his luck rock star with a mean grudge against Willow's fiancée Martin. **Book Rockaway bride killed** Romance Chick Lit Does romance novel means that the lead characters have to be freakishly immature?These two are adults! ADULTS! H had three divorces and h was in a 7 year relationship! So surely they're past their mid 20's? Surely they are NOT 12 years old? I swear Lizzie McGuire seems like an almost mature adult show in comparison to this book! Romance Chick Lit 3: **Rockaway bride book pdf** The Hero(s): Dax Gallagher - lead singer for the band Half Cocked Heroes. **Rockaway Bride booker** Dax has a deep smokey voice and is your standard hard partying rockstar. **Rockaway Bride pdf24** He is in Stolland to confront Martin who stole all his money. **Rockaway brider rental** The Story: Dax ends up kidnapping the bride before the wedding.

This book was incredibly funny. This is a runaway bride story AND a kidnapping romance. Dax and Willow were both great characters. I loved these two together from the very beginning.I would recommend this book to fans of romantic comedies.I feel my eyes go wide.Because fuck.I'm in love with Willow Honeycutt.I'm not here as her friend.I'm here as her lover.Her mother smiles softly. You know.She's not happy. This is why I'm here. Not like she could be.And you want to make her happy?I-Do I?Of course I do.But more important- I want her to be happy. I want everyone to want her to be happy.~Wrapping my arms around him is easier than breathing.More necessary than breathing. Particularly if you want to read them without spoilers. So it's not completely unreasonable. So they fit both story and character arcs I think. I really liked both of these characters so much. The storyline is quite good. This book was amazing. It is hilarious but filled with so much heart. Her day job is a preschool teacher. So the wedding was being held at the palace in Stolland. Their band has been plagued with bad luck as of late. AND Willow's fiancé stole all of Dax's money. Everything he'd been saving up for when he needed it. Not only his but his drummer's as well. It's all gone. So Dax is in Stolland. She writes one for Dax as well. She knows that Dax won't hurt her. That really she has kidnapped him." "Dax is oddly likable even when he hates me."There is definitely crazy chemistry between these two. Dax fights it for as long as he can. For the first time in months I'm grounded. Solid. Where I'm supposed to be. Doing what I'm supposed to be doing."Their adventure takes them all over Europe. Weeks. Months probably. I have belief. Belief that everything is going to be just

fine."I loved this book so much. You can definitely read it as a stand alone. You don't have to read them though. I can't wait to read more from this author. It was funny. Her fiancé stole my fortune so I stole his woman. Tit for tat. Or tat for tit. However you want to look at it. And somehow she's turned the tables on me. It very well might cost me my heart. Great plan. And that's exactly what Dax is. Add in the tattoos and I was a goner. Willow was the perfect heroine for him. But she is absolutely refreshing and exactly what he needs. Maybe? I don't actually know. With the donkey. With keeping me from falling out of the boat. With being ridiculously picky about where I got my tattoo. I think. First kidnapping and all. For both of us. ~I stifle a giggle. Except it's also our reality right now. And I'm positive I'll be re-reading them all of them. And you know obviously spoilers. Princess Happy Pants is currently singing to the sheep. Singing. To the sheep. In a voice that could make angels weep because holy fuck. Despite everything I'm getting a professional boner over here. Of course she can sing. Because that's just fucking perfect. Come on Dax she says. You know this one. I'm not singing about Mary and her fucking lambs. Before it gets any soggy. This is terrible toast to waste. It's almost as good as the bread in Stölland. You're fucking insane. ~Sister Mary Biceps hustles us into the van. I end up with my face smushed into Willow's ass. Which is not at all a bad place to be. Sister Mary Freckles shrieks. Slow down Sister Hazel Sister Mary Basketweaver chides. You're going to get us all arrested. Well damn Sister Mary Knits-a-lot says. We didn't get to stay for mass. The nuns titter. And for the first time in days I find myself laughing. This entire trip is fucking nuts. And it's fucking fantastic. Fucking Willow. She's a witch in her own right. Except her kind of witchcraft is slowly cleansing my soul. Reminding me of the simple joys in life. And the glory of making new friends. Since we clearly can't say testicles Princess Preschool Teacher. You're ruining all of my good memories of you naked. We could make more memories he says. I thought you didn't sleep with women you kidnap. We're even. It was for your own good. Was it now? He doesn't seem put out. If anything that lazy smile says he's having fun. And I heard paper crinkling earlier. You clearly needed emotional support. I gave you twelve trained emotional and spiritual guides. Plus I had a feeling you needed Belgian chocolate. Hello hot flash in the nipples. That must've been what-Oh. Oh! I squelch a giggle. We ran over a box of dildos. We ran over a box of dildos. Dax drops his hands and takes a knee next to his dad. He's snickering. He glances up and catches me watching. Know anything about changing tires? I shake my head. His lips twitch harder. He rolls grabs one and holds it up to the light. Mr. They're adorable. That's a relief. Now she's holding back a smile. I never asked him when he first knew he loved her. Thank you for being my world. I'm getting sleepy. I do love you I say through a yawn. It's not just the sex talking. He tightens his grip around me. Wouldn't care if it was. Yes you would. Whatever it takes to keep you coming back for more. And that's exactly why I love you princess. And it really is an adventure. Starting in Stolland then Scotland Belgium and France. this book was like a road trip for my eyes. The humor. The angst. The self-discovery and the romance. 5 stars I enjoyed this one it was funny and so sweet. I can understand Dax's fascination she was so lovely. Definitely trying more books by this author.
