

Red Thorns (Thorns Duet, #1) By Rina Kent **Red thornstein groep** 302 ♡ I must confess I still have somewhat of hangover from just recently finishing reading Consumed by Deception Red Thorns is the first book of a duet and is not standalone. **Red thorns free book** This book is absolutely brilliant!! I'm a big fan of bully romances but this is so much more than just a bully romance! I found this book utterly heart breaking and soul destroying and at the same just flat out crazy good with all the suspense that author through into the book.

Carefully crafted. **Red Thorns ebook** The characters were descriptive and distinct ☐ Hope you enjoy this read ☐ ↓ Always remember ↓ ☐ Always keep in mind this is just my opinion+ Also I wouldn't never discourage anyone from reading this book. **The red rose among thorns book 1** You can find her below! {site_link} Website {site_link} Newsletter {site_link} Instagram {site_link} Bookbub {site_link} Amazo Rina Kent is an international bestselling author of everything enemies to lovers romance. **Red thornstein groep** You can find her below! {site_link} Website {site_link} Newsletter {site_link} Instagram {site_link} Bookbub {site_link} {site_link} TikTok {site_link} Facebook {site_link} Reader Group {site_link} Twitter {site_link} Pinterest {site_link} Today I really went there and set my bar that low huh? It kinda irks me to give this meh book 4 stars. **Red Thorns kindle paperwhite** The only thing that is remotely dark about this book is a rape fantasy and I still I don't see the logic in labelling consensual non-consent as something depraved you know? As I've already pointed out the story is a good ranting material lovers of roasting books have such a great space to unleash their dark urges on. **The red rose among thorns book 1** ☐☐ Typical high school romance elements dominate the story: -stupid sex bets- queen bee and her little evil minions ruling over a college -popular jerks aka football players acting like a bunch of horny kids who obviously OVERwatched Japanese porno- closed off lonely wolf type sarcastic ☐ rock listening/anime watching/ manga reading chick with *not like other girls* vibes going for her as a heroine-her having one and only mousy little friend with a *dicks over chicks* mentality that would rather lick asses to gain popularity than support her bestie. **Red thornstein groep** ☐☐ Kind of obvious if we take into account the previous paragraph but clichés and stereotypes permeated the story and turned it into a very average college romance that screams high school immaturity a mile away. **The red rose among thorns book 1** The fact that there were other things to do and talk about?? Common interests? Topics for conversations? We were told in 1-2 sentences that they walked on the common ground when it came to certain things but how about letting us catch a glimpse of it in action? Write down the lifehack ☐ how to waste zero time while writing a romance book: force the main characters fuck non-stop. **PDF Red thorns** "Those delicious dreamlike first dates ☐☐☐ Sebastian should have actually unleashed his beast on someone else but Naomi I wanted something more than a supposedly terrifying growling shit he pulled on his dumb ass friends. **Red Thorns pdf** You see? My Carter boy would have found a way to make that happen and still keep his immaculate reputation as white as a sheet and as shining as the stars before a sunny day. **Red thornstein groep** "But the thing I loved most about Sebastian?? His personality split ☐ One minute the man degrades her and another he's ready to slit her offenders' throats cuddles her acts like a caveman and calls her my baby my Naomi and my girl. **Suspense Red thorns minecraft** Now I'll go swoon peacefully in my room rest assured that y'all got the memo of what this book is all about ☐ Original thoughts lmaooo: (i finally finished this gracias a dios took me only 34 days ☐ and the only thing I can say I'm mad confused???) My brain cells are dancing an experimental piece right now chanting S e b a s t i a n Japanese porno forest chase and some other garbage ☐ DEFINITELY NOT A 1 STAR READ. **Red Thorns kindle cloud** This trash deserves better 302 The quarterback and the cheerleader get kinky! The following ratings are out of 5: Romance: ☐☐☐☐ Heat/Steam: ☐☐☐☐ Story/Plot: ☐☐☐☐ World building: ☐☐☐☐ Character development: ☐☐☐☐♀☐☐☐☐☐☐☐ The heroine: Naomi - she is a bit anti-social but joined the cheerleading squad at her college because her mom wanted her to. **Book thorns and roses** i'm so disappointed especially because asher and reina's book was actually good with dark themes but this just went in

my darkest book yet and Sebastian is my most interesting hero Me and Flor ☐: 302.

to do with Naomi: **Book thorns and roses** The two main characters have a dark side and pretty specific kinks and they both have family issues, **Book Red thorns schedule** Naomi wants to meet her father but her Mom won't give her any information on him, **Red Thorns ebooks free** Sebastian is living under the expectations of his extremely snobbish and cruel grandparents, **Book thorns and roses** This was actually a very good story despite the often used tropes and the predictability of some of the events. **Book Red thorns minecraft** For example the book begins with Naomi starting up a pen-pal relationship with someone who wrote to her in high school, **Red Thorns contemporary furniture** I would be surprised if she doesn't meet him and/or find out his real identity at some point and I can bet who it is: **Red thorns free book** There are also mean girls at the school who antagonize Naomi at every opportunity. **Red thorns read online** I really liked both of the characters especially the sizzling chemistry between them. **Red thornstein groep** I also liked the Japanese themes in the story since Naomi was half Japanese: **Book Red thorns admin** There was a bunch of stuff about their mutual love of anime Sebastian even had Japanese symbols Tattooed on his body, **Red thorns book** I voluntarily read & reviewed an advanced copy of this book, **EPub Red thorns diablo** Blog|Goodreads|Facebook|Instagram|Twitter|BookBub 302 now why did i waste my time reading this???this was just porn there is no story here and if there is it just doesn't make sense, **Suspense Red thorns schedule** sebastian has the mind of a serial killer/psychopath i was legit waiting for him to shoot up the school sjhdjkas with the way he fantasized about violence, **Red thornstein groep** Also the way this book basically fetishized Japanese culture was not it either this was more cultural appropriation than appreciation, **Red thornstein groep** exhibit a) Tell me did you touch yourself as soon as you got home?" I mean how is that the cover of a college romance? I mean seriously: **The red rose among thorns book 1** But Hardin says shit like this "I'm

rich handsome and a star, **Red Thorns suspenseful** What's there not to like about me?" "I can feel your blood coating my dick: **Book Red thorns schedule** the sex? These two were kinky as fuck and this book was steamy but that's not enough for me. **EBook Red thorns diablo** Overall: I'm so glad this book got over and I would rather slam my fingers into a car door than read the sequel: **Book Red thorns admin** 302 Listen if I wanted to just read porn I'd watch it. **Book Red thorns schedule** That's really all this book is sex scenes upon sex scenes and it got boring. **Red Thorns kindle reader** The only thing they really have in common is that they share similar fantasy's, **Suspense Red thorns minecraft** He has rape fantasies and she has fantasies of being raped. **Red thorns free book** Which is good for them I guess?? Though this line is kinda "Shut the fuck up and take my dick like the slut you are, **Book Red thorns schedule** " And then he's thrusting his cock inside my pussy and his fingers in my mouth at the same time, **Red thornstein groep** Naomi is one of those people that thinks they're better than everyone so it somehow justifies her bitchy actions: **Book Red thorns** Is this not the most backhanded 'compliment' you've ever heard??? Like 'ohhhh she's average but to me she's bEauTiful' like stfu: **PDF Red thorns fc** Then we have Sebastian who's chapters are just him talking about how he hates his family (without context) and that he's a 'monster' because he likes rape fantasies: **Red Thorns contemporary dining** Again this is my personal opinion if you think it's considered a dark romance than that's up to you. **Red Thorns suspenseful** Ever since I read the After series when I was like 15 I'm DONE reading about heroes making bets to take the heroines virginity, **Suspense Red thorns fc** It's honestly gross and I'm tired of the excuse 'it was never about that I just wanted an excuse to get close to you' oh just shut the hell up. **Book thorns and roses** The whole drama with Naomi's family is so confusing and unexpected. **Kindle Red thorns diablo** I thought this was just some college 'dark' romance now it's turned into some kind of mafia one???Theory: Akira Naomi's weird ass penpal is actually her dad: **Red thornstein groep** Idk why I'm thinking this but it'd be hilarious after she talked about the consensual rape her and Sebastian have been having with her freaking dad. **Red Thorns kindle** Will I read the 2nd book? Yeah I probably will because why the hell not. **Book Red thorns** 5 stars•#2: Black Thorns - tbr 302 Not me and Flor "googling what tsundere means.AMAZON US " <https://amzn.to/3tkNr4KINTERNATIONAL> " <https://smarturl.it/RTBuyAUDIOBOOK> " <https://amzn.to/3gRuVxD>This book is part of a duet and is not standalove.
