But it still packs a punch. Available now!!*ARC Chevalier Alpha (Lycée Wolf Ridge t. ☐☐☐ kinda of odd for a shifter. 2) Hmmmmm.... Especially because the DAYM Groveling was just so delicious. This book I wouldn't call a bully romance. He never really bullies her at all. Bo j'ai bien aimée. Ça se lit rapidement c'est mignon et y'a de l'action. Chevalier Alpha (Lycée Wolf Ridge t. Happy Reading! My Rating Sytem:4☐: I like IT a lot. Great Solid Story w/ few if any inconsistencies or errors. Chevalier Alpha (Lycée Wolf Ridge t. 2) I enjoyed Bo and Sloane's story. Loved how Bo wanted to help and protect her. A great story. The leggy car thief is trouble with a capital T. Which means I'm not letting her out of my sight. Anywhere the human goes I go. I'll play her fake boyfriend. Sleep in her bedroom. Go to her prep school classes. Take her to the homecoming dance. I will learn all her secrets find out all her games. By the time I'm done with her she'll be sorry. Sorry she ever set foot in our shop. Sorry we ever met. Sorry she made me fall for her. Chevalier Alpha (Lycée Wolf Ridge t. Sloane is smart resourceful and inventive. I think Bo has a good heart and wants to protect people. He tries to hide it though. Chevalier Alpha (Lycée Wolf Ridge t. I couldn't help but root for Sloane and Bo. Because I love you Sloane. You're the fucking Earth and moon and stars to me. And I would die before I let you go. Even without a mating bite. There was quite a bit of sex here. Also the amount of leniency these kids have was laughable. 2) Quick. Hot. New adult shifter romance. and so on and so forth. All in all this is a good quick shifter read. There's romance there's angst and there's suspense.....meh. I mean they didn't even go to the same school. Nor live in the same town. I don't know I was really hoping it could match up. But don't let this discourage you. BUT the Big Drama that happens?.....It felt rather Cliché dare I say? A mob. Money. Taken. A rescue? No. Childish I know but Wah Homie. I know I know. I hate me too. Still. 3. 2)
