

Virgin on Her Wedding Night By Lynne Graham **Virgin on her wedding night lynne graham**
When the hero summons a doctor.

Virgin on her wedding night lynne graham

But he could forgive the family of the man that raped his mother and begot him!! Nice and in fact he takes care of those vultures!! She is scared of him and his plotting. **Virgin on her wedding night lynne graham** And he must have felt something for her to want revenge and plot over the five years - OMGosh seriously?! So all those bad guys in other books that plot to seek revenge and will stop at nothing really feel something for you - yes they feel something for you woman it could very well be hate he feels for you NOT love! The convenient letter - yep he hung on to that one and lucky for the deceptive witch that she has proof that supports the letter because he doesn't trust her little letter. **Virgin on her wedding night lynne graham** (does he feel awful for that? Does he show remorse? NOT AT ALL!!) He wasn't there when she needed him and she makes excuses for him - oh no one told you - WTH? Oh yeah Caroline realized he had no love in his life and hers is so healing so of course he will get a free pass. **Virgin on her wedding night lynne graham** No he claims that he believed that she loved him but had doubts and insecurities - wait a minute before he said he thought she may have been trying to make OM jealous! She blackmailed him into marriage and he blackmailed her into bed w/ him so they squared and all else doesn't matter. **Virgin on her wedding night lynne graham** Oh but she should have gotten the slightest vibe when a man loves her are you freaking kidding me? I didn't get the slightest vibe and I was reading his dang thoughts! Sure I know it's a romance and I know how it is to turn out and that he is supposed to love her.

Virgin on her wedding night lynne graham

But just a few minutes before he claimed she blackmailed him into marriage!! He stayed w/ her even though didn't work out in the bedroom - he is trying to convince her of his love! He didn't believe her when she claimed to love him before thought she was trying to soften him up - guess what that is exactly what I believe of him. **Virgin on her wedding night lynne graham** Only you don't have to because she doesn't need softening up she has already melted into the cracks of the floorboard! Bam! All hunky dory and their argument and anger for what he did and what he caused doesn't matter at all. **Virgin on her wedding night lynne graham** It took several attempts before she sold her first book in 1987 and the delight of seeing that first book for sale in the local newsagents has never b Librarian Note: There is than one author in the GoodReads database with this name. **Virgin on her wedding night lynne graham** Virgin on Her Wedding Night Do not like when a book goes to ridiculous lengths to make heroine a virgin while hero's bedmate centers right up in the story right up to the point that heroine is wearing the mistress's bathrobe. **Virgin on her wedding night lynne graham** Hero was just ridiculous in not checking at all on his bride or reading her letter heroine is dumb because she can't remember that hero keeps telling her he didn't read the letter and it just doesn't make sense that the husband couldn't enjoy heroine because he likes bustier women??? Make him gay or severely dysfunctional. **Virgin on her wedding night lynne graham** At first he is pissed but he goes away and calms down and starts thinking and remembering all the things she has told him and he kind of figures out that she really does have a problem and decides to stick with her and try to work things out. **Virgin on her wedding night lynne graham** I think Lynne Graham is an underrated writer in the sense that because people can be snooty about category romance it's assumed that writers in this genre just crank out books and don't put their artistic skills and talent to use. **Virgin on her wedding night lynne graham** While I didn't like the way Valente's ex-lover was handled (I'm tend to be a jealous person working on that so I would have been way more bothered about finding his ex-mistress's used robe in his bathroom than Caroline was). **Virgin on her wedding night lynne graham** " Now he wants to get rid of her for her false promises of sex which she can't fulfill - "But the prospect of telling anyone alive that his bride had

just refused him froze him into rare inactivity. **Virgin on her wedding night lynne graham** " This sounded like he didn't want anyone to know he didn't/couldn't consummate the marriage YET when Caroline says something about this later he says "My reputation is such that it would not have caused me embarrassment. **Virgin on her wedding night lynne graham** She still believed he had read the letter that he knew why she didn't show up YET he told her before that he hadn't! Valente was so "confident" that Caroline loved him before the fateful altar incident of course that suddenly disappears when she doesn't show up - a bit fickle in his confidence huh? She did love him she told him all in her letters but he doesn't do emotions or forgiveness - oh but he forgave the family that raped his mother! Caroline tells him if he really loved her he would have overcome his hurt pride and sought the truth but he didn't. **Virgin on her wedding night lynne graham** Suddenly he explains that he thought she had used him to make OM jealous! Okay how does that make sense when before he claimed he was confident in her love of him and didn't want to tell her what her father had attempted to do? She claims his plan of revenge at any costs truly horrifies her and she is a poor judge of character. **Virgin on her wedding night lynne graham** " If he hadn't thought this in the beginning of the story then I might have thought differently of him but as it is he comes across as not even being truthful to himself. **Virgin on her wedding night lynne graham** I can NOT believe that this businessman didn't study his prey a bit more and know more things about them before enacting his revenge! Caroline still seems shocked that he didn't read any of the letters - um woman he told you long time ago he didn't why are they still stuck on this? He has no answer for why he couldn't forgive her and her family but is NOT devastated not full of remorse for what he did or does he wonder how she felt when he never showed up. **Virgin on her wedding night lynne graham** " So I guess even in the beginning he wasn't completely open with her and this should be a great conversation right? He dumped letters w/out reading he tells her again! Because she can't seem to understand that he dumped them but he admits he kept the first. **Virgin on her wedding night lynne graham** Besides seems he doesn't back down so he should have stood up and fought instead of running w/ tail b/w legs and then claiming pride! Such a cop out! Now he says he married her even though not part of the plan leaving the H standing at the altar alone. **Virgin on her wedding night lynne graham** However LG knows her HP rules and we eventually find out that the direly ill h was in hospital for an appendectomy and that is the Best Reason Ever to miss the wedding appointment: Virgin widow is blackmailed into sex/marriage by the hero whom she stood up at the altar four years before. **Virgin on her wedding night lynne graham** In that four years he's gone from truck driver to recognized grandson of an Italian count and is a millionaire. **Virgin on her wedding night lynne graham** The hero never read the heroine's letters explaining why she stood him up - that's his mistake: **Virgin on her wedding night lynne graham** The heroine was a doormat and married the posh creep her parent's wanted - that's her mistake, **Virgin on her wedding night lynne graham** The heroine makes more mistakes in that she is still bending over backwards for her horrible parents and she still is by the epilogue, **Virgin on her wedding night lynne graham** One memorable scene- the heroine being so nervous about blackmailed sex that she gets drunk and passes out on the hero. **Virgin on her wedding night lynne graham** Oh but this suddenly changes as she rationalizes he was never loved by anyone and that is why he is like this: **Virgin on her wedding night lynne graham** Of course her great all healing love will make it all better: **Virgin on her wedding night lynne graham** He "reels" in shock.

Virgin on her wedding night lynne graham

He is obstinate and proud and he should have had more faith in her and that is what finished them: **Virgin on her wedding night lynne graham** English This is a standard LG HPlandia outing for the most part - it gets five stars from me for only one reason. **Virgin on her wedding night lynne graham** The h commits the Cardinal Sin of not showing up for her wedding.

Virgin on her wedding night lynne graham

Librarian Note: There is than one author in the GoodReads database with this name: **Virgin on her wedding night lynne graham** Lynne Graham was born on July 30 1956 of Irish Scottish parentage. **Virgin on her wedding night lynne graham** She learnt to read at the age of 3 and havent stopped since then: **Virgin on her wedding night lynne graham** At 15 she wrote her firstbook but it was rejected everywhere. **Virgin on her wedding night lynne graham** Lynne married after she completed adegree at Edinburgh University, **Virgin on her wedding night lynne graham** She started writing again when she was athome with her first child. **Virgin on her wedding night lynne graham** Lynne Graham was born on July 30 1956 of Irish Scottish parentage. **Virgin on her wedding night lynne graham** She learnt to read at the age of 3 and haven't stopped since then. **Virgin on her wedding night lynne graham** At 15 she wrote her firstbook but it was rejected everywhere: **Virgin on her wedding night lynne graham** Lynne married after she completed adegree at Edinburgh University, **Virgin on her wedding night lynne graham** She started writing again when she was athome with her first child. **Virgin on her wedding night lynne graham** It took several attempts before she sold herfirst book in 1987 and the delight of seeing that first book for sale in the local newsagents has never been forgotten: **Virgin on her wedding night lynne graham** Now there are over 10 million other books in print worldwide: **Virgin on her wedding night lynne graham** Her eldest and her only natural child is 19 and currently at university: **Virgin on her wedding night lynne graham** Her other four children who are every bit as dear to her heart are adopted: **Virgin on her wedding night lynne graham** She has two 9 year olds adopted from Sri Lanka and a 5 and a 3 year old adopted from Guatemala, **Virgin on her wedding night lynne graham** In Lynne's home there is a rich and diverse cultural mix which adds a whole extra dimension of interest and discovery to family life: **Virgin on her wedding night lynne graham** The family lives in a country house surrounded by a woodland garden which is wonderfully private. **Virgin on her wedding night lynne graham** Thomas a very large and affectionate black cat bosses the dog and hunts rabbits. **Virgin on her wedding night lynne graham** The dog is Daisy an adorable but not very bright white West Highland terrier who loves being chased by the cat: **Virgin on her wedding night lynne graham** At night dog and cat sleep together in front of the kitchen stove, **Virgin on her wedding night lynne graham** Lynne loves gardening cooking collects everything from old toys to rock specimens and is crazy about every aspect of Christmas. **Virgin on her wedding night lynne graham** {site_link} Already haunted by a youth of illegitimacy and poverty Valente Lorenzatto never forgave Caroline Hales's abandonment of him at the altar, **Virgin on her wedding night lynne graham** But now he's made millions and claimed his aristocratic Venetian birthright—and he's poised to get his revenge: **Virgin on her wedding night lynne graham** He'll ruin Caroline's family by buying out their company and throwing them out of their mansion...unless she agrees to give him the wedding night she denied him five years ago...: **Virgin on her wedding night lynne graham** YUCK! it just takes all the beauty away from the first time between hero and heroine: **Virgin on her wedding night lynne graham** The only lovely part was hero's patience with heroine's fears. **Virgin on her wedding night lynne graham** But read *Blackmailed into Marriage* for similar patience with a much more deserving hero. **Virgin on her wedding night lynne graham** Book would have been 3 stars as it entertained but I don't understand how heroine could so easily accept and forgive hero's revenge causing her beloved father's decline in health, **Virgin on her wedding night lynne graham** That takes revenge to another level practically felony-murder the doctor demands to see the heroine's i: **Virgin on her wedding night lynne graham** because he thinks the hero has been giving alcohol to a minor. **Virgin on her wedding night lynne graham** We don't find out until very late in the story why the heroine stood up the hero so she looks pretty bad throughout. **Virgin on her wedding night lynne graham** Even finding out that info I couldn't warm up to this mealy mouthed heroine: **Virgin on her wedding night lynne graham** English What worked for me : 1 Valente He was meticulous as he

plotted against the bride who stood him up at the altar. **Virgin on her wedding night lynne graham** He returns in a position of power and influence leaving nothing to chance. **Virgin on her wedding night lynne graham** 2 CarolineThe h is in the weakest possible position but she responds with dignity and considers the welfare of others: **Virgin on her wedding night lynne graham** She goes through a difficult marriage and emerges as a cautious wary woman. **Virgin on her wedding night lynne graham** 3 Sensitive issuesCaroline's deceased husband was abusive and this has made her nervous and insecure: **Virgin on her wedding night lynne graham** When Valente learns the facts he is patient and kind towards her: **Virgin on her wedding night lynne graham** He doesn't forgive or forget what happened but he always treats her with care, **Virgin on her wedding night lynne graham** 4 BackstoryBoth of their pasts were constructed well and explain their decisions fear and worldview. **Virgin on her wedding night lynne graham** 5 Reasons for SeparationWhen the truth is revealed you understand both Caroline and Valente's reactions to that day. **Virgin on her wedding night lynne graham** Valente is ruthless for self preservation and Caroline got a manipulated version of events. **Virgin on her wedding night lynne graham** What didn't work for me :1 I didn't see any reason for Caroline's rebound marriage. **Virgin on her wedding night lynne graham** Then she suffered in silence during her marriage and this bothered me, **Virgin on her wedding night lynne graham** English I seem to be swimming against the tide with my rating on this one but I liked it, **Virgin on her wedding night lynne graham** It had some elements that were definitely different from the norm for LG, **Virgin on her wedding night lynne graham** The heroine here did not melt every time the hero touched her, **Virgin on her wedding night lynne graham** She had had a bad previous marriage and even though she still loved the hero she did not just get over it the first time he kissed her: **Virgin on her wedding night lynne graham** For example on their wedding night she freaks and panics when he tries to consummate the marriage: **Virgin on her wedding night lynne graham** He goes back to her tells her not to be afraid he will never hit her call her names or otherwise mistreat her, **Virgin on her wedding night lynne graham** He holds her in his arms all night in a totally heroish way Of course he wasn't perfect. **Virgin on her wedding night lynne graham** Mostly I enjoyed it because while it had the requisite OTT melodrama she wasn't a doormat and he wasn't an asshat. **Virgin on her wedding night lynne graham** h was a little bit of a doormat but the author handled explaining how her thinking was a product of her upbringing quite well. **Virgin on her wedding night lynne graham** I'd have giving it more stars if the 'forgive me I'm a jerk' scene had been longer: **Virgin on her wedding night lynne graham** English Maybe it was the male narrator but I just could not get into this one: **Virgin on her wedding night lynne graham** Then again maybe it was how TSTL everyone in the freaking book was!! My goodness, **Virgin on her wedding night lynne graham** This book was like the proverbial train wreck-you just help but stop and gawk. **Virgin on her wedding night lynne graham** I am NOT published but every author has to admit to missing the mark every now and then. **Virgin on her wedding night lynne graham** I keep thinking that maybe I just need to read (actually read instead of listening to the audio) but I don't think it will help, **Virgin on her wedding night lynne graham** At least she's more important than business to him and business is after all very important to him: **Virgin on her wedding night lynne graham** [Rolling eyes and gagging] I would have told him where to put his bitterness! English Nothing to recommend with this book despite, **Virgin on her wedding night lynne graham** The heroine is a damp wimpy doormat martyr for her shallow parents and the hero is an equally big IDIOT: **Virgin on her wedding night lynne graham** His only redeeming quality is his patience with the heroine's unrelenting virginity despite being married: **Virgin on her wedding night lynne graham** I don't think of lovers reunited stories as my favorite because they can have some drama elements that are problematic: **Virgin on her wedding night lynne graham** However I do like when there is an unrequited or unfulfilled love that never dies between two people: **Virgin on her wedding night lynne graham** Truth is they both made mistakes and also some lies and conniving relatives came between them. **Virgin on her wedding night lynne graham** Valente is pretty dark in some ways his drive to destroy Caroline's parents' fortunes out of revenge, **Virgin on her wedding night lynne graham**

However Valente obviously truly loved Caroline and even though he didn't want to admit it to himself he never stopped loving her, **Virgin on her wedding night lynne graham** I feel that when I read one of her books she believes in what she's writing: **Virgin on her wedding night lynne graham** Her writing is very vivid and descriptive bringing all the emotions to life and using the characters' body language to reveal who the characters are and what they are feeling, **Virgin on her wedding night lynne graham** Understandably since she was married for four years he would have moved on but that was tacky and I think he knew it, **Virgin on her wedding night lynne graham** Maybe subconsciously he wanted to taunt Caroline with it to let her feel what it was like for him knowing she had dumped him and married someone more suitable, **Virgin on her wedding night lynne graham** I liked that while this is a happy ending book her parents' negative traits weren't glossed over. **Virgin on her wedding night lynne graham** However Valente took responsibility for taking care of them because he knew Caroline loved her parents: **Virgin on her wedding night lynne graham** For someone who supposedly has no pity or heart Valente was actually a good person and a good husband: **Virgin on her wedding night lynne graham** While she had been coddled and sheltered she learned the hard way the cost of that life and denying her own needs to make her family happy: **Virgin on her wedding night lynne graham** Nothing much I didn't like about it (except for the tacky part with the ex-mistress), **Virgin on her wedding night lynne graham** I couldn't believe in the HEA at the end even though I really wanted to, **Virgin on her wedding night lynne graham** Valente Lorensatto was abandoned at the altar five years ago and he hasn't gotten over it, **Virgin on her wedding night lynne graham** Instead Valente has decided that the best thing to do is to take revenge upon the perpetrator of his heartache Caroline Hale. **Virgin on her wedding night lynne graham** So even though as a rule Valente isn't a patient man or a VENGEFUL man he becomes one. **Virgin on her wedding night lynne graham** Valente tossed away all but one convenient letter from Caroline Hale his runaway bride: **Virgin on her wedding night lynne graham** He says "Some errors of judgment cannot be explained away or forgiven, **Virgin on her wedding night lynne graham** " Valente even told Caroline several times that that he threw her letters away but she can't get that through her thick head because she still asks him about them. **Virgin on her wedding night lynne graham** He only wanted sex from her something that she couldn't provide because of a hang-up from her first hubby. **Virgin on her wedding night lynne graham** He is angry when she can't fulfill that dream of his and says "You cheated me and I don't allow anyone who does that to walk away unscathed: **Virgin on her wedding night lynne graham** Right afterwards he is thinking "Even though it was late Valente wanted to phone is legal team and put them to work on ridding him of his brand new wife: **Virgin on her wedding night lynne graham** " Does he confuse you as much as me? Valente had set out to cold-bloodedly destroy her father's business because of what he perceived of her abandonment of him at the altar. **Virgin on her wedding night lynne graham** It was like he never cared to begin w/ that is how she saw it when she married OM on rebound. **Virgin on her wedding night lynne graham** When someone injures me I don't turn the other cheek and I never will. **Virgin on her wedding night lynne graham** " Once again this alludes to him seeking revenge but he claimed to himself that he doesn't!!! " : **Virgin on her wedding night lynne graham** acts of revenge were a waste of time and that it was better to move on and forget the past for the future should hold a more exciting and worthwhile challenge, **Virgin on her wedding night lynne graham** Things could have ended badly for her but he doesn't even consider that. **Virgin on her wedding night lynne graham** Nope instead he must talk to her "as he had never talked to her in the entirety of their relationship. **Virgin on her wedding night lynne graham** Thinks chalked up to his pride but I never felt like he was contrite about what he set out to destroy because of his belief when he could have sought her out then: **Virgin on her wedding night lynne graham** That is enough Totally Tacky behavior for me to write the h off and never care if she gets an HEA, **Virgin on her wedding night lynne graham** Even Miss Manners would make an exception for that so I am calling it a win for the HP outing experience. **Virgin on her wedding night lynne graham** The rest of the story is typical LG and the H comes around by the end for a pretty nice little HEA[1]

And makes the heroine seem disloyal. English Two stars - maybe a weak three star story. {site_link} See this thread for information. She has lived in Northern Ireland all her life. She grew up in a seaside village with her brother. Lynne first met her husband when she was 14. {site_link} See this thread for information. She has lived in Northern Ireland all her life. She grew up in a seaside village with her brother. Lynne first met her husband when she was 14. Lynne always wanted a large family and has five children. The family has two pets. unable to perform somehow. but that was just silly. Hero was your standard LG hero. When he is ready everything falls like dominoes. I would have loved to see him in a heist story. He continues living in an emotional fortress. She was young naive and betrayed. She gave into pressure and dug her own grave. He does not have things all his way. She gets what she wants too. And he doesn't really have appalling knee jerk reactions. This is an HP after all he had to have some issues. English Your basic blackmail her into bed/marriage scheme. He was your typical arrogant manipulative Italian Tycoon. To me the mark was missed. by a wide margin on this one. nope not even that. English A very enjoyable read by Ms. Graham. I did feel that between Valente and Caroline. I liked that Caroline confronted him about that. I like the descriptions and language in this novel. I don't think that's the case. Caroline's parents were a hot mess. You could tell how much he loved Caroline. Caroline had to grow up the hard way. I liked her a lot. I give this book a thumbs up. English This one annoyed me so much." This implies that petty little VENGEFUL man thing again. Not once did he attempt to seek the truth. Guess the truth wasn't worth it to him. To which he replies "I'm not like you bella mia. . No true thoughts or reflections on that. English
