Do you like paranormal activity. This book is full of stories of true encounters of gohsts and performing exorsisms, This book shows you how to perform an exorcism but also how to kill gohsts, They then wrote a book about stories of ghost interactions and stories of haunted people. I got interested in reading it a few years after I myself had an encounter with the other side when 2 of those closest to me got possessed on different occassions: It was a time during my early conversion when according to my spiritual director who is an exorcist himself--the demon REACTED when I gave my life to the Lord: Jose Syquia's book I learned a lot more of what's happening, It's so beautiful! God is so powerful and the demon is so real, It gives you a balance between not being too

complacent and total confidence in God, He completed the Vatican Course on Exorcism and Deliverance at the Regina Apostolorum Pontifical University, He is also a full time formator spiritual director and professor of spirituality and psychology at the San Carlos Major Seminary: {site_link} Exorcism: Encounters with the Paranormal and the OccultFr: Jocis Syquia an official exorcist of the Catholic Church will take you into the hidden dark world of demons and how they intersect our daily world. Speaking from personal experience of haunted houses demon possession ghosts and true-to-life scientifically unexplainable paranormal activity Fr, Jocis will also show you the incomparable power of God over spirits. Jocis' mind-blowing stories will not make you fear the devil as much as they will make you love God more. There's one part of the book that I even cried because I realized how enormous God's love is: Every catholic should read this! 285 A must-read for all Catholics: 285 good book read it twice heard Father Jocis teaching too and read the other book because of this book: 285 The author presented his subject objectively and interestingly certainly not off-putting for the reader at least from my own perspective. It was like listening to him first-hand his descriptions and accounts are very detailed yet without being too sensational or fantastic, I'd highly recommend this book to everyone willing enough and open-minded about the devil and evil itself especially in this day and age: More than an addition to our arsenal for the fight against the devil it sheds light on the many mysteries of our culture our faith and our practices[1]

FR. He finished both courses with magna cum laude honors.Fr. He finished both courses with magna cum laude honors.Fr. Well this is the best book for you. These stories go so far back. they go to the egyptian times. These stories are frakay. This book was made after the movie exorsism was made. 285 One of my favorite books. 285 Great book by Fr. Jose Syquia! I've really enjoyed reading it way back then. And with the help of Fr. And I get to appreciate more our faith. Jose Francisco C. Because Fr.This book will change the way you view the world. In the end Fr. It's very informative and as I said liberating. Judulnya lupa tapi tulisannya Father Amorth deh. Very catechetical with balanced apologetics. 285 We could use more of these books in our libraries. 285.
