

The Complete Illustrated Kama Sutra By LANCE DANE **The Complete Illustrated Kama sutraah**  
The Complete Illustrated Kama Sutra The book is made of very good quality paper however I did not enjoy the content that much as it's pretty sexist and outdated not very useful or interesting English  
Le livre est loin d'être sulfureux il s'avère même religieux à la lecture et n'est pas sans surprendre quand on connaît ce qui se passe en inde aujourd'hui. **The Complete Illustrated Kama sutraco**  
Les illustrations sont magnifiques : miniatures.
