

VERY SECRET SOCIETY OF IRREGULAR WITCHES By Sangu Mandanna Hardcover Have you ever read a book so good that you clutch it to your chest once you've finished in hopes of absorbing just a little of its magic? That's how I felt last night when I finished The Very Secret Society of Irregular Witches ☐ I knew this was going to be a five star read for me about 50 pages in. **VERY SECRET SOCIETY OF IRREGULAR witchesma** It just gives me all the warm fuzzies ☐ So trust me when I tell you that The Very Secret Society of Irregular Witches has one of the best depictions of found family I've ever read. **VERY SECRET SOCIETY OF IRREGULAR witchesor** The quote on the front of The Very Secret Society of Irregular Witches by Sangu Mandanna calls this book "a warm and witchy hug of a book" (Tasha Suri) and that is the perfect description for this book. **VERY SECRET SOCIETY OF IRREGULAR witchesor** This story is like a balm on wounds left by the pandemic the two years where many of us have been left cooped up in our homes with far less socialization than was our norms. **VERY SECRET SOCIETY OF IRREGULAR witchesms** If you're looking for a book that will be a gentle but engaging read with characters both delightful and just a little mysterious like they might be hiding something then you NEED to go get #TheVerySecretSocietyofIrregularWitches. **VERY SECRET SOCIETY OF IRREGULAR witchesnore** If you love magic witches and a bit of romance but there's enough to still give you a few butterflies ☐ There's also a beautifully diverse cast of characters in this novel. **VERY SECRET SOCIETY OF IRREGULAR witchesms** It is extremely apparent that Sangu took a lot of care in developing these characters and I love every single one of them with my whole heart (except for one ☐ but no spoilers!). **VERY SECRET SOCIETY OF IRREGULAR witchesquery** Grab yourself a copy a cup of tea and a cozy blanket I promise you won't regret it ☐ Hardcover I'll be generous with my rating because this wasn't a good fit for me but it'll be just the kind of soft magical romance that some readers are looking for, **VERY SECRET SOCIETY OF IRREGULAR witchesms** Sangu Mandanna's writing is so captivating and full of humor: **VERY SECRET SOCIETY OF IRREGULAR witchesms** Also our FMC is named Mika Moon how can you not immediately fall in love with that?! I'm a sucker for the found family trope: **VERY SECRET SOCIETY OF IRREGULAR witchesma** The love these characters have for one another is extraordinary. **VERY SECRET SOCIETY OF IRREGULAR witchesms** The romance in the story is secondary to the main plot.

VERY SECRET SOCIETY OF IRREGULAR witchesms

This book is just one big magical hug: **VERY SECRET SOCIETY OF IRREGULAR witchesor** The sex is just a smidge and the hot grumpy Irish man is hot and grumpy Hardcover Sometimes family is the one you're born with sometimes it's the one you find: **VERY SECRET SOCIETY OF IRREGULAR witchesms** Mandanna weaves a story that's the equivalent of a warm cup of tea on a cozy rainy afternoon. **VERY SECRET SOCIETY OF IRREGULAR witchesness** She was raised by a succession of nannies and tutors after being brought to live in England from India. **VERY SECRET SOCIETY OF IRREGULAR witchesms** Ian Ken Lucie and reluctantly Jamie see Mika's "witchy" videos on social media. **VERY SECRET SOCIETY OF IRREGULAR witchesma** Something tells them Mika is the real deal even though nothing about the videos should have made them think it was REAL magic, **VERY SECRET SOCIETY OF IRREGULAR witchesms** The four care for Nowhere House and the three adoptive daughters of an absent archaeologist. **VERY SECRET SOCIETY OF IRREGULAR witchesms** Being without Lillian Nowhere while she is working in South America and with the looming threat of a visit from her solicitor the adults need help, **VERY SECRET SOCIETY OF IRREGULAR witchesor** Being non magical themselves they #DM Mika hoping to convince her to move in and tutor the girls in #magic, **VERY SECRET SOCIETY OF IRREGULAR witchesms** The girls are have mixed feelings about Mika's arrival but she starts to win them over as she teaches them how to control their magic, **VERY SECRET SOCIETY OF IRREGULAR witchesms** In return the girls help give Mika the family and community she's always longed for: **VERY SECRET SOCIETY OF IRREGULAR witchesms** I'm (mostly) an introvert who doesn't mind spending large amounts of time by myself but even I have to admit it was a bit too much time to myself: **VERY**

SECRET SOCIETY OF IRREGULAR witchesmart □ reviews on IG: alexreadsthebooks Hardcover I loved this book from the very first page. **VERY SECRET SOCIETY OF IRREGULAR witchesms** The Very Secret Society of Irregular Witches is the perfect novel to kick off your spooky season reads. **VERY SECRET SOCIETY OF IRREGULAR witchesness** This is the first adult romance by the author and that could explain why it had such YA vibes. **VERY SECRET SOCIETY OF IRREGULAR witchesx full book** Yes these are adult characters (31/36) and there is a tiny bit of steam but it's so soft cozy and found family oriented that the vibe reads a lot younger: **VERY SECRET SOCIETY OF IRREGULAR witchesms** The little nuggets of romance were SO good swoony sweet tender: **VERY SECRET SOCIETY OF IRREGULAR witchesor** I got bored by the extent of the witchy content (most of the book is focused on that) but kept getting drawn back in by the moments of romance: **VERY SECRET SOCIETY OF IRREGULAR witchesnore** The cinnamon roll hero was adorable and I probably would've enjoyed this a LOT if we'd had of that swoon and less overly descriptive passages and magic, **VERY SECRET SOCIETY OF IRREGULAR witchesor** But I can't say that any of it was bad; there's a whole lot of good going on here and some readers are sure to love it, **VERY SECRET SOCIETY OF IRREGULAR witchesms** The story follows Mika a witch who has always had to hide her identity, **VERY SECRET SOCIETY OF IRREGULAR witchesms** She moves from place to place in order to protect her secret and that's made her feel isolated and alone. **VERY SECRET SOCIETY OF IRREGULAR witchesx full book** The one witchy thing she does is play a witch on social media but no one was ever supposed to realize how close to the truth those posts were: **VERY SECRET SOCIETY OF IRREGULAR witchesor** There's a place that houses young witches and they're desperately in need of a magical tutor: **VERY SECRET SOCIETY OF IRREGULAR witchesor** It doesn't take long before Mika starts to feel at home among people who know her secret and she soon finds herself fitting in: **VERY SECRET SOCIETY OF IRREGULAR witchesx full book** Sure there is a grumpy librarian (Jamie) who doesn't seem to like her but he does seem to be hiding some softness underneath his bristly exterior: **VERY SECRET SOCIETY OF IRREGULAR witchesquery** But Mika has never stayed in one place for long and there are still some secrets that need to be revealed. **VERY SECRET SOCIETY OF IRREGULAR witchesquery** I probably would've DNFed had I not been in just the right mood for this but not because of the quality, **VERY SECRET SOCIETY OF IRREGULAR witchesm book** I kept hearing great things about the soft slow burn romance and that part is a definite win (once it becomes central to the story). **VERY SECRET SOCIETY OF IRREGULAR witchesx full book** I loved Jamie and he was such a lovable grump who was clearly gone for his girl: **VERY SECRET SOCIETY OF IRREGULAR witchesor** Every time I thought about DNFing he'd do something else that would pull me back in, **VERY SECRET SOCIETY OF IRREGULAR witchesms** Paranormal or younger readers are likely to enjoy this the most as the witchy storyline is a major component, **VERY SECRET SOCIETY OF IRREGULAR witchesnore** Readers who prefer third person POV will also find it easier to get drawn in. **VERY SECRET SOCIETY OF IRREGULAR witchesquery** So I could easily identify the things that were holding me back from loving this while also appreciating the quality of the plot. **VERY SECRET SOCIETY OF IRREGULAR witchesnap** The found family aspect is great and if you're in the mood for a very slow burning soft paranormal romance then it's entirely possible that you'll love this: **VERY SECRET SOCIETY OF IRREGULAR witchesquery** Hardcover

I bought this thinking it would be age appropriate for my 13 year old, **VERY SECRET SOCIETY OF IRREGULAR witchesms** It turns out this book is not appropriate as it has improper sexual references. **VERY SECRET SOCIETY OF IRREGULAR witchesquery** A new look for witchcraft and a lovely story can't wait for the next book[1]

Then this is the perfect indulgence. IT'S THAT GOOD. Are you sad. Read this book. Are you sick of bills? Read this book. It's Childrens fiction but for grown ups. The stakes are bluish high enough. Mika is one of the few witches in the world. The girls and the archaeologist are also all #witches. Like now right now. Go get yourself a copy. Thank me later. It was definitely unputdownable. Many of the characters are POC and/or queer. That is until Mika gets a mysterious invitation. For me personally this was difficult to rate. He loves reading books on magic and stuff. I wish I had not bought this. Hardcover A very compelling read. Brilliant Hardcover Lovely magical story with buns and coffee. Curl up and enjoy !
