Myths of the World : Padraic Colum Boris Artzybasheff Boris Artzybasheff: : Books Myths of the World When Uncle Blue tries to cheer up the Aunts and Peter and Lotta after they find a dead swallow who could have guessed that his idea could lead to such adventure? A trip in his new rowing boat to an island for a picnic starts off a great success (love the picture of the Myths of the World The information about this book is wrong on . **The world of myth magazine** Also the book show that someone else has Myths of the World first published in 1930 and it shows no myths from sub saharan africa but lots and good ones from the rest of the world if you supplement with african myths in a recent anthology you have a good overview for interested young readers suitable in my opinion for Myths of the World

.  
: **Myths of the worldvision** I know Beulah Ainley and she told me that this book is not written by her. Beulah Ainley never wrote Myths of the World. Beulah Ainley has only written two books
