Fearless and not alone! Would definitely recommend to everyone! Being a Woman So disappointing: **Book being human** None of the poems present some new ideas or at least interesting poem construction: **Book being human** It seems that author has very surface view of the womanhood as the whole book sounds very cheesy, **Pdf file cut off** Such a waste of money Being a Woman Thought this book would be very inspiring and emotional but it is not. **What makes a feminist novel** Can't class the words as poems just sentences on a page. **Being a women pdf** They are like her thoughts but a scramble of her thoughts: **Being a women essay** Wolf writes next! Being a Woman I saw this book on Tiktok and figured i'd give it a read.
