Which was a mistake.I will admit this right off the bat.Curious about the title I purchased on impulse.I am very glad I did.I am not Jordan Peterson's supposed target audience.That being said this book spoke to me. It is not an easy read. You need to digest this.Peterson is direct. He has opinions. I don't always agree with them. You'll be glad you did. Here's the reason. I think JB.Peterson overthink the concepts of chaos and order. I quite like Jordan Peterson. I think he has interesting things to say. Each rule is simple and if properly implemented powerful.
