This Little Golden Book is based on Disney and Pixar's Luca in theaters June 18th 2021! Set in a beautiful seaside town on the Italian Riviera Disney and Pixar's original feature film Luca is a coming of age story about one young boy experiencing an unforgettable summer filled with gelato pasta and endless scooter rides. Luca shares these adventures with his newfound best friend but all the fun is threatened by a deeply held secret: they are sea monsters from another world just below the water's surface.
