Sommariamente: 1) qualsiasi telefonino fa riprese migliori non ci piove; 2) ho provato ad usarla come webcam lasciamo perdere; 3) sinceramente non capisco chi da 5 stelle a un oggetto di questo livello (e non ce l'ho minimamente con il fabbricante) ognuno fa il suo lavoro e lo rispetto. 4) infine: non capisco comunque a quale fascia di utenti finali è indirizzata questa qualità: vlogger no hobbysti no videoamatori no giocattolo per ragazzini? No troppo complesso comunque:

This is a generic camcorder very similar to others around the same price, 2 lens that gives a field of view equivalent to about 35mm on a full frame camera. Focus is fixed and everything is fairly sharp from about 12 inches to faersi HD Video Camera Camcorder with LED Fill Light 2, However I must say I am dissapointed in both the picture and sound quality: Indoor recording is so grainy and bad that it's useless footage: Again for kids this is a great faersi HD Video Camera Camcorder with LED Fill Light 2, This caught my eye while I was browsing for an action camera and going through the reviews made me want to try it for that price: 7K 1080P 42MP 30FPS FHD YouTube Vlogging Camera Recorder 18X Digital Zoom Support External Microphone with 2 Batteries Absolutely dreadful camera. The videos it produces are about the equivalent of something produced by an old Nokia phone camera. How this camera is being sold as Full HD is beyond me.
