It is a new author to me and I bought this book because I like psychological thrillers: **Bookstore** In my opinion this one is not the best in its category. **Nfl free agency 2024 tracker** There are too many exes (ex wives ex husbands ex girlfriends and ex boyfriends). **Nfl free agency 2024 tracker** Their convoluted relationships and Kindle Paperback This was an interesting book: **Apple** The story developed slowly and was somewhat repetitive but it was still a good read. **Nfl free agency 2024 tracker** There is a lot happening in Kindle Paperback This book was a good read, **Nfl free agency 2024 tracker** The story was interesting and all the threads tied up nicely as far as I can tell. **Mega Millions** The language and level was set very low probably lower high school level, **Hi** At times the men in this book appeared mercilessly stupid and although that is often the case I'm reality it was frustrating in the book: **Jeep** It keeps you so enthralled to find out what happens next: **Airbnb** Kindle Paperback I am Pleased with everything I order Kindle Paperback I was shocked at how good this story was. **Nfl free agency 2024 tracker** Yes it was a slow burn but totally worth it and entertaining. At times it seemed that everyone was a little bit crazy. I was glad I chose this in book form. So many secrets. So many misunderstandings. Since it was an English book perhaps this is the reason. Kindle Paperback I really enjoyed reading this one. Then they came around. I admired Sarah than any other character. You never know how it is going to end. I will be reading from Sheryl Browne. Kindle Paperback.
