

Never Greater Slaughter: Brunanburh and the Birth of England By Michael Livingston and 2 **Never greater slaughter michael livingston** Thoroughly enjoyed it and highly recommend Never Greater Slaughter: Brunanburh and the Birth of England The battle of Brunanburh a battle from Anglo Saxon times thought of as an important event at the time but later overshadowed by the events of 1066. **Never greater slaughter michael livingston** Despite being the subject of one of only two poems in the Anglo Saxon Chronicle later generations forgot where it was Never Greater Slaughter: Brunanburh and the Birth of England This book educates and brings to life the momentous battle of Brunanburh in AD 937. **Never greater slaughter book** It also tells the whole story of the birth of England from Alfred the Great to Athelstan and Brunanburh one of the most important battles in British history Never Greater Slaughter: Brunanburh and the Birth of England Book arrived in good condition. **Never greater slaughter book** Never Greater Slaughter: Brunanburh and the Birth of England I enjoyed this as an excellent study of Viking activity during this period right up to the time when the author attempts to shoe horn the square peg of Brunanburh into the round hole of the Wirral when to gaps start to show. **Never greater slaughter michael livingston** I am a member of the Friends of Longovicium and Never Greater Slaughter: Brunanburh and the Birth of England Never Greater Slaughter: Brunanburh and the Birth of England Good value for money Never Greater Slaughter: Brunanburh and the Birth of England Found the book interesting I read another book about this battle but found that confusing as i wont know the area in question. **Never greater slaughter book** Never Greater Slaughter: Brunanburh and the Birth of England well researched evidence/deduction points to this being the confirmed site of battle Never Greater Slaughter: Brunanburh and the Birth of England

## **Never greater slaughter book**

Wonderful book on this not so well known battle in English history, **Never greater slaughter book** A good reference for the last book of the Last Kingdom series. It's an interesting book. Ties in nicely with some of the viking sagas (Egil etc). Very interesting research. I found this informative
