.@matthaig1 | matthaig.com Love this book. Speaks for itself really. Also was before I was working full time. So am delighted to report that this book is brilliant. This is what reading to your kids is all about. Hugs giggles and making happy memories. I was consumed with happiness while reading the book. Anyone that loves Christmas would love this book. Carolinas campaign Great book to read at Christmas time. We do a chapter a night and our kids beg for . It's an engaging and interesting story. I never thought of him as an elf OR a human. This is a delightful book and BBS has not understood it. And The Girl Who Saved Christmas completes the story. Carolinas campaign This book is just downright depressing. This isn't a feel good book made for kids. In fact I was barely able to handle it as an adult. The book is well written don't get me wrong. But you don't feel good after you put it down. We DO NOT recommend this book. Irresistibly readable
