Priest and Knox. Nothing mattered. I needed to finish this book. this thoroughly rocked all my senses and emotions. Her way of describing scenes is amazing. It had a great start with the first 2 books. And then it became a bit much. And I of course thought she must be a prude. Sexy. Steamy. Dangerous. So good. Multiple scenes that were full chapters long. I mean the last two books were painful to finish. So I wish you luck if you've made it this far. Think hide and seek in the woods.... The spice it was it was A1 steak sauce.9. This series just wasn't for me. I had never read Ms. Ashwood before but I will look for all her books. I LOVED IT
